

Slaves Of Liberty

Maya Jasanoff

Slaves Of Liberty:

The Slaves of Liberty Dale Edwyna Smith, 1998-11-01 This study focuses on the lives of the black slave majority in the deep South in the mid 19th century The topics of civil law demographics the role of the church family life plantation economics and gender issues are all revealed through careful study of primary sources previously unexamined by historians The author has meticulously researched newspapers court transcripts county archives church minutes plantation journals and oral histories to produce an astonishingly detailed picture of the lives of blacks and whites during this critical period The readable narrative was nominated for the Allan Nevins Prize for dissertations in American history in 1993

In the Shadow of Liberty Kenneth C. Davis, 2024-06-04 A look at how some of America's founding fathers who fought for liberty and justice for all were slave owners A powerful examination of five enslaved individuals and their presidential owners In a thoroughly researched and reasoned account Davis exposes the intricacies of this impossibly tangled web Publishers Weekly starred review Through the powerful stories of five enslaved people who were owned by four of our greatest presidents this middle grade nonfiction book helps set the record straight about the role slavery played in the founding of America From Billy Lee valet to George Washington to Alfred Jackson personal manservant and lifelong slave of Andrew Jackson these dramatic narratives explore our country's great tragedy that a nation conceived in liberty was also born in shackles These stories help us know the real people who were essential to the birth of this nation but traditionally have been left out of US history books Their stories are true and they should be heard This thoroughly researched and documented book by Kenneth C Davis can be worked into multiple aspects of the Common Core curriculum It is a great resource for young students of United States history Praise for *In the Shadow of Liberty* This well researched book offers a chronological history of slavery in America and features five enslaved people and the four US presidents who owned them A valuable broad perspective on slavery Booklist starred review Compulsively readable A must have selection School Library Journal starred review

Sweet Taste of Liberty W. Caleb McDaniel, 2019-08-07 Winner of the Pulitzer Prize for History The unforgettable saga of one enslaved woman's fight for justice and reparations Born into slavery Henrietta Wood was taken to Cincinnati and legally freed in 1848 In 1853 a Kentucky deputy sheriff named Zebulon Ward colluded with Wood's employer abducted her and sold her back into bondage She remained enslaved throughout the Civil War giving birth to a son in Mississippi and never forgetting who had put her in this position By 1869 Wood had obtained her freedom for a second time and returned to Cincinnati where she sued Ward for damages in 1870 Astonishingly after eight years of litigation Wood won her case in 1878 a Federal jury awarded her 2 500 The decision stuck on appeal More important than the amount though the largest ever awarded by an American court in restitution for slavery was the fact that any money was awarded at all By the time the case was decided Ward had become a wealthy businessman and a pioneer of convict leasing in the South Wood's son later became a prominent Chicago lawyer and she went on to live until 1912 McDaniel's book is an epic tale of a black woman who

survived slavery twice and who achieved more than merely a moral victory over one of her oppressors Above all Sweet Taste of Liberty is a portrait of an extraordinary individual as well as a searing reminder of the lessons of her story which establish beyond question the connections between slavery and the prison system that rose in its place Liberty's Chain David N. Gellman, 2022-04-15 Winner of the Herbert H Lehman Prize for Distinguished Scholarship from the New York Academy of History In Liberty's Chain David N Gellman shows how the Jay family abolitionists and slaveholders alike embodied the contradictions of the revolutionary age The Jays of New York were a preeminent founding family John Jay diplomat Supreme Court justice and coauthor of the Federalist Papers and his children and grandchildren helped chart the course of the Early American Republic Liberty's Chain forges a new path for thinking about slavery and the nation's founding John Jay served as the inaugural president of a pioneering antislavery society His descendants especially his son William Jay and his grandson John Jay II embraced radical abolitionism in the nineteenth century the cause most likely to rend the nation The scorn of their elite peers and racist mobs did not deter their commitment to end southern slavery and to combat northern injustice John Jay's personal dealings with African Americans ranged from callousness to caring Across the generations even as prominent Jays decried human servitude enslaved people and formerly enslaved people served in Jay households Abbe Clarinda Caesar Valentine Zilpah Montgomery and others lived difficult often isolated lives that tested their courage and the Jay family's principles The personal and the political intersect in this saga as Gellman charts American values transmitted and transformed from the colonial and revolutionary eras to the Civil War Reconstruction and beyond The Jays as well as those who served them demonstrated the elusiveness and the vitality of liberty's legacy This remarkable family story forces us to grapple with what we mean by patriotism conservatism and radicalism Their story speaks directly to our own divided times

Liberty's Exiles Maya Jasanoff, 2011 A global history of the post Revolutionary War exodus of 60 000 Americans loyal to the British Empire to such regions as Canada India and Sierra Leone traces the experiences of specific individuals while challenging popular conceptions about the founding of the United States An Essay on Liberty and Slavery Albert Taylor Bledsoe, 1856 *Cry Liberty* Peter Charles Hoffer, 2010 Provides an account of the slave revolt along South Carolina's Stono River on September 9 1739 the only notable rebellion to occur in British North America between the founding of Jamestown in 1607 and the start of the American Revolution *Taking Liberty* Ann Rinaldi, 2002-11 After serving Martha Washington loyally for twenty years Oney Judge realizes that she is just a slave and must decide if she will run away to find true freedom

Damned Notions of Liberty Frank T. Proctor, 2010-11-15 Prior to 1640 when the regular slave trade to New Spain ended colonial Mexico was the second largest slaveholding society in the New World Even so slaves of African descent in Mexico were surrounded by a much larger indigenous majority and by the second half of the seventeenth century there were more free Afromexicans than slaves in the colony While it seems logical to assume that these unique demographic conditions may have created a situation ripe for slaves to challenge their oppression Proctor's study reexamines those assumptions

Damned Notions of Liberty explores the lived experience of slavery from the perspective of slaves themselves to reveal how the enslaved may have conceptualized and contested their subordinated social positions in New Spain's middle colonial period roughly 1630-1760s. Relying heavily on trials from civil ecclesiastical and Inquisitorial courts, the study offers a detailed examination of some of the central issues to the culture of slavery: labor, family, cultural community, individual and collective agency, and access to liberation, to provide a more integrated picture of slavery in colonial Mexico.

Calling Out Liberty Jack Shuler, 2010-04-08

On Sunday September 9, 1739, twenty Kongolese slaves armed themselves by breaking into a storehouse near the Stono River south of Charleston, South Carolina. They killed twenty-three white colonists, joined forces with other slaves, and marched toward Spanish Florida. There they expected to find freedom. One report claims the rebels were overheard shouting Liberty. Before the day ended, however, the rebellion was crushed, and afterwards many surviving rebels were executed. South Carolina rapidly responded with a comprehensive slave code. The Negro Act reinforced white power through laws meant to control the ability of slaves to communicate and congregate. It was an important model for many slaveholding colonies and states, and its tenets greatly inhibited African American access to the public sphere for years to come. The Stono Rebellion serves as a touchstone for *Calling Out Liberty*, an exploration of human rights in early America. Expanding upon historical analyses of this rebellion, Jack Shuler suggests a relationship between the Stono rebels and human rights discourse in early American literature. Though human rights scholars and policy makers usually offer the European Enlightenment as the source of contemporary ideas about human rights, this book repositions the sources of these important and often-challenged American ideals.

The Enigmatic Realm of **Slaves Of Liberty**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
