The logo is a black shield with a white border, containing the word 'SLEEPING' in a white, bold, sans-serif font at the top, 'DEFINITIVE EDITION' in a smaller white font on a red horizontal bar in the middle, and 'DOGS' in a large, white, stylized font at the bottom. The background depicts a man with tattoos, wearing a grey tank top and dark pants, holding a blood-stained machete. He stands in a dark, rainy street at night, with a large, glowing red Japanese character (likely '生' for 'live') visible in the background.

**Sleeping Dogs** Tony Vanderwarker, 2014-02-04 The Pentagon has a dirty little secret they've been keeping quiet for forty years. During the Cold War a number of live H bombs were jettisoned and lost around the country as a result of mishaps and mid-air collisions. A disgraced former Pentagon weapons expert Howie Collyer who blew the whistle on the unrecovered H bombs and lost his job as a result, learns from a nurse in a VA hospital that one of her patients has vague recollections of being the pilot on a B-52 plane that jettisoned a nuke. Collyer teams up with the nurse to kidnap the man from the hospital in the hopes he will lead them to it. When the Pentagon learns Collyer is after the bomb they try to stop him. But they are not alone. An al-Qaeda sleeper cell that has been keeping an eye on Collyer goes into action. A mad scramble ensues with the Pentagon, al-Qaeda, and Collyer all after the nuke. Will the al-Qaeda find it first and immolate half the Eastern Seaboard? Will the Pentagon succeed in putting a lid on their secret? Or will Howie Collyer expose the mess and vindicate himself? Inspired and written under the guidance of master storyteller John Grisham, the plot of *Sleeping Dogs* takes amazing twists and turns before ending in an unexpected and spellbinding climax. **Sleeping Dogs: The Awakening** John Wayne Falbey, 2012-06-15 Before its collapse, the USSR created an apparatus of moles and agents and used them to infiltrate and gain control of unions, academia, entertainment, and the news media. By succeeding to the USSR's efforts, a group of international financiers, the Alliance for Global Unity or AGU, gained control of one of America's two political parties. Their goal is to destroy the West, principally America, and create a one-world government in which they control all things financial. They now control Congress and the White House, with the Supreme Court basically divided. AGU's handpicked president is up for reelection, but he has become dazzled by his own rock star status and no longer follows orders. The control group determines that he must be assassinated so a new, more compliant candidate can be elected. The killing is to take place as the president delivers a Labor Day speech on the steps of the Capitol Building, but it must look as if the opposition party has done it. In keeping with today's polarized environment, a group of patriots from the military, intelligence, and industrial communities, the Society of Adam Smith or SAS, has formed in opposition to AGU. Two decades earlier, its leaders were part of a government team that trained a group of unique individuals, code-named the Sleeping Dogs, to become the deadliest hunter-killer black ops team ever. They were used on the most clandestine missions to neutralize America's most dangerous enemies. In an effort to stop AGU's assassination plans, SAS has reunited the Dogs. Not only must the Dogs survive treachery and plot twists to foil the

assassination attempt they also must cripple AGU by bringing down the billionaire arbitrager who distributes funds in support of their sinister plans *Sleeping Dogs Definitive Edition* Square Enix LLC.,2014
