Slender Grace Poems:

A Slender Grace Roderick Jellema, 2004-08-06 *A Slender Grace* is Rod Jellema's first collection of poetry since his highly praised *The Eighth Day* appeared almost twenty years ago. In this volume which consists of 67 poems, almost all of them new, Jellema confronts a culture that loves bigness with poems that notice what is slender: the thin lines, the threads by which some things hang, the narrow crevices through which divine grace offers to reconcile humans to each other and to the Creator. These beautifully crafted pieces are not religious poems in the usual sense. As Jellema explains, "These poems individually are not spiritual message bearers. Still, it is inevitable that my belief in a beautiful world that is broken and divinely redeemed, though I am not preaching about it, should be evident throughout." And it is as Jellema takes a second, deeper look at such things as green beans in all their glory, a lovesick lonely young man in a Laundromat, and his own sense of the world while snorkeling in the Red Sea. [Incarnality](#) Roderick Jellema, 2010-10-12 Rod Jellema has been writing and publishing poems for over thirty years. His work during that time has been described as bursting with raw poetic talent. In this beautifully shaped compilation, readers will find the best poems from Jellema's four previous collections along with a new grouping of poems appropriately titled *Still Though*, ranging widely in subject. These poems are all united by Jellema's point of view and his ability to explore with both pathos and comedy the stabs of joy that leap from deep inside a fallen world of redeemed incarnate things. *Poems* William Howells, 2017-05-29 [Poems by Coventry Patmore](#) Coventry Patmore, 1886
