No Is a Beautiful Word Kevin G. Harney, 2019-02-12 If a person has extra time nothing to do and finds themselves looking for ways to fill their empty days this book is definitely not for them *No Is a Beautiful Word* is designed and crafted for people whose plate is full whose margin is thin and whose life feels overloaded They are looking for help relief and wisdom to navigate the countless options that life offers on a daily basis This book is needed by people who Go to bed with a To Do list that never seems to get totally done Kindly say Yes and secretly regret it five minutes later Feel pain and live with guilt when they have to say No Were taught that No is a dirty word Believe that saying No is a sign of weakness Feel trapped by unwise past commitments Want to say Yes to what matters most in life but are too exhausted Know that their life is out of balance and are seeking to fix it It will be valuable for Leaders who have a tough time making the hard decisions because they fear hurting someone's feelings Executives who feel over extended and pressed to the edges of their capacity Parents who feel overworked and under appreciated Students who are trying to balance the intensity of school work and their relational world Retired people who find themselves saying with subtle humor but aching regret I am more busy now than I have ever been Single people who go to bed at night exhausted because the day left no margin and offered no oasis of peace Married people who love their life but secretly dream about time to play space to relax and taking a nap *No Is a Beautiful Word* is designed to be read briskly chewed on thoroughly and acted on practically The chapters are brief by intention They range from one paragraph that's right some chapters are only a few sentences long to four pages The goal of this book is give people clear concepts paint a picture of what it looks like to live out the idea and then move on to the next thought The vision is to help people learn to say No to the things that don't matter or don't matter as much so they can say Yes to the things that bring life hope peace and lasting meaning

Effective Small Churches in the Twenty-First Century Carl S. Dudley, 2010-09-01 Dudley's work in *Making the Small Church Effective* 1978 broke new ground in understanding the dynamics of life in the small congregation In this revised edition Dudley revisits the small church posing new questions reflective of the considerable changes that have swept over small churches in the last two decades Among the most significant recent developments are shifts in institutional loyalty and individual's sense of identity in relation to larger groups and organizations Dudley explores the key components that contribute to a small congregation's sense of unity and that motivate its members to more faithfully live out their faith

A Beautiful Mess Mark Oestreicher, 2012-05-15 When you think about the state of youth ministry today are you an optimist or a pessimist Do you cheer or fear Is the glass half full or half empty In this honest frank blunt examination veteran

youth worker Mark Oestreicher offers a fresh perspective on what's working in youth ministry today and discovers that perhaps things aren't as broken as some of us might have thought. Theologically and anecdotally we can uncover plenty of encouraging signs in the realm of youth ministry according to Oestreicher whose youth ministry experience includes time as an in-the-trenches youth worker and as a publisher of youth ministry books and resources. *A Beautiful Mess* features insights on the issues and opportunities facing youth workers including the trend toward longevity in ministry, the power of smaller churches, the work of the Holy Spirit, the rewards of authentic relational ministry, the need for integration instead of isolation, and the centrality of faith and humility. This book will help you experience the freedom of your calling rather than the stress of expectations. You'll discover an abundance of reasons to remain optimistic, intentional, and faithful as you engage in the lives of today's teenagers. *Historic Florida Churches* Joy Sheffield Harris, 2024-02-26 Author Joy Sheffield Harris guides readers on an architectural tour through the religious diversity of the Sunshine State. Over 200 years have passed since the first Florida church was established, and today the Cathedral Basilica of St. Augustine has been restored to capture its original beauty. Pioneer Village Church at Shingle Creek is home to a replica of one of the first churches built in the Kissimmee. The St. John's Episcopal Church, The former St. Paul's By The Sea, is now the deconsecrated Beaches Chapel at The Beaches Museum and History Park in Jacksonville Beach. Travel throughout the state or enjoy the beauty of these and many more churches without leaving home. *Inside the Small Church* Anthony G. Pappas, 2001-11-01 Even as so-called megachurches capture the attention of many church watchers, small congregations continue to dominate America's religious landscape in both rural and urban settings. Although sometimes obscured by their larger siblings, these small churches play a prominent role and hold a unique place in both local and national cultures. How can leaders help to keep these often-at-risk churches alive and to meet their potential for ministry? Small church expert Tony Pappas has gathered a cornucopia of essays into an indispensable book for anyone interested in the rich life of these small but significant congregations. Drawing on classic and updated articles by a variety of writers from his own small church newsletter *The Five Stones*, from Alban journals *Action Information* and *Congregations*, and adding new pieces developed especially for this volume, Pappas provides timeless ideas on learning to value, pastor, develop, and lead the small church. In addition to time-honored articles by the editor, other contributors to this volume include Sherry and Douglas Alan Walrath, Gary Farley, Lawrence W. Farris, Loren Mead, Caroline Westerhoff, Steven Burt, Carl Dudley, David Ray, James Lowery, and a host of others known for their work and love for the small church. Readers of *Inside the Small Church* will come away with a renewed love and appreciation for these vital congregations, as well as with new skills for ministry. *The Ecclesiologist*, 1842 *The Church School Journal*, 1922 *The Living Church*, 1946 *The Church Times*, 1901
