## Small Gods:

**Small Gods** Terry Pratchett,1993-11 Science fiction roman *Small Gods* Terry Pratchett,1994-09-26 Lost in the chill deeps of space between the galaxies it sails on forever a flat circular world carried on the back of a giant turtle Discworld a land where the unexpected can be expected Where the strangest things happen to the nicest people Like Brutha a simple lad who only wants to tend his melon patch Until one day he hears the voice of a god calling his name A small god to be sure But bossy as Hell

**Worshipping Small Gods** Richard Parks,2020-07-01 Worshipping Small Gods is the follow up to Richard Parks World Fantasy Award finalist debut collection *The Ogre's Wife* containing fourteen stories three of which are original to this volume and all created with the same philosophy follow where the story leads and face whatever comes These destinations range from comic zen parables as in the title story *Worshipping Small Gods* to the darkest depths of the human heart as in *Voices in an Empty Room* Whether dark fantasy comedy near future sf or wry contemporary fantasy these stories all share that same insight and honesty

**Books of the Small Gods Vol. 1** Bruce Blake,2022-05-20 Teryk hated the boredom of being prince sheltered and protected from the outside world He yearned for action and adventure like the heroes of yore like his father the king When he stumbled on an ancient scroll inscribed with a prophecy he got everything he craved and so much more than he bargained for The scroll speaks of non sensical things a barren mother *Small Gods* a Man From Across the Sea all things that can't exist or only do so in children's stories All of it means nothing to the prince except one thing the Firstborn Child of the Rightful King is prophesied to save them kingdom He is King Errol's first born child He sees this as his opportunity to show the king he is worthy to be his heir to prove his worth to a father who never cared Bolstered by the words written on the parchment Teryk sets out to fulfil his destiny never expecting his deeds are the catalyst to set the prophecy in motion An ancient evil that has waited a thousand years for revenge awakens summoning its followers to hasten its return Only the unwitting prince stands between them and the end of the world

**In Search of Small Gods** Jim Harrison,2012-12-28 Harrison one of America's most celebrated writers is considered a renegade genius for his poetry

**The Twilight Fades (The Fifth Book of the Small Gods)** Bruce Blake,1900 The Evenstar has ridden a ball of fire from the sky Inevitable is the harbinger of the Small Gods return and a reminder of the destruction inevitable in their wake Who can yet save mankind The man from across the sea on whose ankle is locked a cuff with no key can't even remember his name The seed of life is lost The barren mother faithless The living statue victorious One thoughtless action is all it takes to set in motion the final pieces of the prophecy One selfish decision to bring about the kingdom's end With the last of the prophecy's protectors beaten who will stand against the gods Is this really the end of man

**And Night Descends (The Third Book of the Small Gods)** Bruce Blake, When days of peace approach their end Without knowing the consequences the royal siblings unwittingly put into motion an ancient plot destined to bring the return of the banished Small Gods When Danya spoke the words on the long forgotten scroll the countdown began And wounds inflicted are too deep to mend A mysterious

healer brought Teryk back from the brink of death but at what cost Could he still be the firstborn of the rightful king meant to prevent the fall of man A Barren Mother Rescued from a place she never imagined herself in she still struggles to find her way without sight without help But worst of all without faith The Seed of Life Hidden in a pouch at the princess hip it speaks to her But if she doesn't understand what it says how can she fulfill her part of destiny Living statue The ominous golem has found that for which it searched The first ingredient for the return of Those Who Watch From the Sky is nearly complete and man's time is drawing to its end One must die to raise them all The Evenstar's patience grows thin for soon the stars will fall and then night will descend Then he will rule again *And Kingdoms End (The Sixth Book of the Small Gods)* Bruce Blake, Evil courses through the land seeking to choke the roots sprouting from the Seed of Life and destroy humanity's last shred of hope The Evenstar has returned and with him comes the rise of the Small Gods When armies amass at Ikkundana the City of the Sick prepares for the final battle But where is the firstborn child of the rightful king the one prophesied to save humankind Who will save the kingdom A sailor A child A once great warrior now a shadow of himself None can stand against the invincible statue nor hope to turn the tide of a war waged against the gods When Ravens Call (The Fourth Book of the Small Gods) Bruce Blake, 1900 Blood has been spilled on the altar of the Evenstar As the prophecy forewarns the return of the banished is nigh The forgotten scroll spoke of unbelievable things A man from across the sea a barren mother a living statue and the return of the Small Gods Unbelievable and yet the pieces for the second coming of the Small Gods are drawn together by fate's hand destined to bring evil back to the world Those who would stop them are spread far and wide without hope of coming together leaving them no chance of fulfilling their destinies Captured threatened fleeing the sister the firstborn the Mother can all only pray to escape with their lives If they die what hope is there for a kingdom Small Gods Terry Pratchett, 2016-07-28 Just because you can't explain it doesn't mean it's a miracle In the beginning was the Word And the Word was Hey you This is the Discworld after all and religion is a controversial business Everyone has their own opinion and indeed their own gods of every shape and size and all elbowing for space at the top In such a competitive environment it's certainly not helpful to be reduced to appearing in the form of a tortoise a manifestation far below god-like status in anyone's book In such instances you need an acolyte and fast for the Great God Om Brutha the novice is the Chosen One or at least the only One available He wants peace and justice and brotherly love He also wants the Inquisition to stop torturing him now please Now adapted into graphic novel form with new artwork by Ray Friesen
