Veterinary Medicine Library,1992 *The Good Old Days: A Reflection Upon What We Individually and Collectively Choose NOT to Recall* Rick Spleen,2021-02-12 Looking back on the past it is often easy to remember the best of times and forget the worst It is easy to overlook the harsh realities of life as it once was and take for granted things that were once seen as extraordinary In *The Good Old Days A Reflection Upon What We Individually and Collectively Choose NOT to Recall* author Rick Spleen shares his perspective on the way the past is remembered and why we should respect those who came before us their toils efforts and achievements It is especially important to recognize those of the founding generation who made possible the rapid advancements for humanity in the last 250 years From fashion to technology from war to medicine this book takes a closer look at our world by reflecting upon the past to provide a better perspective of today The world we live in and humanity may not be perfect but we ve come a long way from where we once stood in a relatively very short period of time

The Art of Reflection Marsha Meskimmon,1996 Marsha Meskimmon examines a wide variety of women s self portraiture from performance to body art in lively and accessible prose She takes the cultural focus from the dominant male self portraiture to the more marginalized gender bringing women artists perspectives to the forefront **Art Historical Perspectives on the Portrayal of Animal Death** Roni Grén,2024-04-22 This study concentrates on the discourses around animal death in arts and the ways they changed over time Chapter topics span from religious symbolism to natural history cabinets from hunting laws to animal rights from economic history to formalist views on art In other words the book asks why artists have represented animal death in visual culture maintaining that the practice has through the whole era been a crucial part of the understanding of our relation to the world and our identity as humans This is the first truly integrative book length examination of the depiction of dead animals in Western art The book will be of interest to scholars working in art history animal studies and cultural history Harness Horse ,1991 **American Folklore Films and Videotapes** ,1982 *The Hanging of Old Brown* Gregory Toledo,2002-07-30 Captured by United States Marines at Harper s Ferry Virginia a fifty nine year old farmer was quickly brought to trial in nearby Charlestown and convicted of three capital crimes treason against the Commonwealth of Virginia conspiring with slaves to rebel and murder In a field on the outskirts of town he was hanged before fifteen hundred soldiers Colonel Robert E Lee Professor Thomas J Jackson and John Wilkes Booth stood watching *The Hanging of Old Brown* attempts to remove the veils that separate the contemporary observer from an understanding of the events and the convictions that brought John Brown to a Virginia scaffold ready to die Brown struggled to find redemption for himself and his nation His war on slavery and eventual execution would reap the whirlwinds that would herald the destruction of slavery Beginning with events of 1776 Toledo provides the historical context of John Brown s

war enabling readers to approach this abolitionist visionary with a better understanding of the period that defined him Toledo hopes to dispel notions that Brown was a mere fanatic or deranged militant This work invites readers to become acquainted with a man who is in the end both flawed and heroic always deliberate and ultimately triumphant **The Agricultural Gazette and Modern Farming** ,1907 **Baily's Magazine of Sports and Pastimes** ,1865
