Music as a Science of Mankind in Eighteenth-Century Britain Maria Semi, translated by Timothy Keates, 2016-04-29 Music as a Science of Mankind offers a philosophical and historical perspective on the intellectual representation of music in British eighteenth century culture From the field of natural philosophy involving the science of sounds and acoustics to the realm of imagination involving resounding music and art the branches of modern culture that were involved in the intellectual tradition of the science of music proved to be variously appealing to men of letters Among these a particularly rich field of investigation was the British philosophy of the mind and of human understanding developed between the seventeenth and eighteenth centuries which looked at music and found in its realm a way of understanding human experience Focussing on the world of sensation trying to describe how the human mind could develop ideas and emotions by its means philosophers and physicians often took their cases from art's products be it music sounds painting colours or poetry words as signs of sound conveying a meaning thus looking at art from a particular point of view that of the perceiving mind The relationship between music and the philosophies of mind is presented here as a significant part of the construction of a Science of Man a huge and impressive project involving both the study of man's nature to which in David Hume's words all sciences have a relation and the creation of an ideal of what Man should be Maria Semi sheds light on how these reflections moved towards a Science of Music a complex and articulated vision of the discipline that was later to be known as musicology or Musikwissenschaft

The Eighteenth Century James Sambrook, 2014-07-15 This is an impressive and lucid survey of eighteenth century intellectual life providing a real sense of the complexity of the age and of the cultural and intellectual climate in which imaginative literature flourished It reflects on some of the dominant themes of the period arguing against such labels as Augustan Age Age of Enlightenment and Age of Reason which have been attached to the eighteenth century by critics and historians

Artful Virtue: The Interplay of the Beautiful and the Good in the Scottish Enlightenment Leslie Ellen Brown, 2016-03-09 During the Scottish Enlightenment the relationship between aesthetics and ethics became deeply ingrained beauty was the sensible manifestation of virtue the fine arts represented the actions of a virtuous mind to deeply understand artful and natural beauty was to identify with moral beauty and the aesthetic experience was indispensable in making value judgments This book reveals the history of how the Scots applied the vast landscape of moral philosophy to the specific territories of beauty in nature aesthetics and ethics in the eighteenth century The author explores a wide variety of sources from academic lectures and institutional record to more popular texts such as newspapers and pamphlets to show how the idea that beauty and art made individuals and society more virtuous was elevated and understood in Scottish society

The Unification of the Arts Steven Brown, 2021-11-25 What are the arts What functions

do the arts serve in human life This book presents the first fully integrated cognitive account of the arts that unites visual art theatre literature dance and music into a single framework with supporting discussions about creativity and aesthetics

Language, Music, and the Sign Kevin Barry, 1987-11-19 This book forms a conceptual account of the relationship between music and poetry in the late eighteenth and early nineteenth centuries Essays on Literature and Music (1967-2004)

Steven Paul Scher, 2004 The present volume meets a frequently expressed demand as it is the first collection of all the relevant essays and articles which Steven Paul Scher has written on Literature and Music over a period of almost forty years in the field of Word and Music Studies Scher The Daniel Webster Professor of German and Comparative Literature at Dartmouth College Hanover NH USA is one of the founding fathers of Word and Music Studies and a leading authority in what is in the meantime a well established intermedial field He has published very widely in a variety of journals and collections of essays which until now have not always been easy to lay one's hands on His work covers a wide range of subjects and comprises theoretical methodological and historical studies which include discussions of Ferruccio Busoni Thomas Mann Bertolt Brecht Judith Weir the Talking Heads and many others and which pay special attention to E T A Hoffmann and German Romanticism The range and depth of these studies have made him the mastermind of Word and Music Studies who has defined the basic aims and objectives of the discipline This volume is of interest to literary scholars and musicologists as well as comparatists and all those concerned about the rapidly expanding field of Intermedia Studies

Absolute Music Mark Evan Bonds, 2014-05-09 In *Absolute Music The History of an Idea* author Mark Evan Bonds examines how writers have struggled to isolate the essence of music in ways that account for its profound effects on the human spirit By carefully tracing the evolution of absolute music from Ancient Greece through the Middle Ages to twentieth century America Bonds provides the first comprehensive history of this pivotal concept and provokes new thoughts on the essence of music and how this essence explains music's effect A long awaited book from one of the most respected senior scholars in the field *Absolute Music* will be essential reading for anyone interested in music theory and history *The Eighteenth Century--the Intellectual and Cultural Context of English Literature, 1700-1789* James Sambrook, 1986 This new edition of James Sambrook's impressive and lucid survey of eighteenth century intellectual life gives the reader a real sense of the complexity of the age and of the cultural and intellectual climate in which its literature grew and flourished

The Arts Compared An Aspect Of Eighteenth Century British Aesthetics: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. The Arts Compared An Aspect Of Eighteenth Century British Aesthetics : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. The Arts Compared An Aspect Of Eighteenth Century British Aesthetics : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
