The Arts Workshop Of Rural America:

The Arts Workshop of Rural America Marjorie Patten, 1967 *New Creative Community* Arlene Goldbard, 2006-10 An inspiring foundational book that defines the burgeoning field of community cultural development An inspiring foundational book that defines the burgeoning field of community cultural development Through personal stories rousing accounts detailed observation and histories Arlene Goldbard describes how communities express and develop themselves via the creative arts This comprehensive photographically illustrated book which covers community based arts such as theater grounded in oral history and murals celebrating cultural heritage will appeal to the curious non specialist reader as well as the practitioner and student Author Arlene Goldbard is one of the best known authors on community cultural development Her seminal books and essays are widely read in the US and other English speaking countries among them *Community Culture and Globalization* and this book's antecedent *Creative Community Arts and Humanities Programs in Rural America* , 1991 The Federal Theatre Project in the American South Cecelia Moore, 2017-09-26 The Federal Theatre Project in the American South introduces the people and projects that shaped the regional identity of the Federal Theatre Project When college theatre director Hallie Flanagan became head of this New Deal era jobs program in 1935 she envisioned a national theatre comprised of a network of theatres across the country A regional approach was more than organizational it was a conceptual model for a national art Flanagan was part of the little theatre movement that had already developed a new American drama drawn from the distinctive heritage of each region and which they believed would collectively illustrate a national identity The Federal Theatre plan relied on a successful regional model the folk drama program at the University of North Carolina led by Frederick Koch and Paul Green Through a unique partnership of public university private philanthropy and community participation Koch had developed a successful playwriting program and extension service that built community theatres throughout the state North Carolina along with the rest of the Southern region seemed an unpromising place for government theatre Racial segregation and conservative politics limited the Federal Theatre's ability to experiment with new ideas in the region Yet in North Carolina the Project thrived Amateur drama units became vibrant community theatres where whites and African Americans worked together Project personnel launched The Lost Colony one of the first so called outdoor historical dramas that would become its own movement The Federal Theatre sent unemployed dramatists including future novelist Betty Smith to the university to work with Koch and Green They joined other playwrights including African American writer Zora Neale Hurston who came to North Carolina because of their own interest in folk drama Their experience told in this book is a backdrop for each successive generation's debates over government cultural expression art and identity in the American nation **Library List** United States. Department of Agriculture. Library, 1954 Library List National Agricultural Library (U.S.), 1949 **The Child** , 1936 **Wisconsin Library Bulletin** , 1935 Bibliography of Agriculture , 1990 *Democracy and Higher Education* Scott J. Peters, Theodore

R. Alter, Neil Schwartzbach, 2010-09-01 How are we to understand the nature and value of higher education's public purposes mission and work in a democratic society How do and how should academic professionals contribute to and participate in civic life in their practices as scholars scientists and educators Democracy and Higher Education addresses these questions by combining an examination of several normative traditions of civic engagement in American higher education with the presentation and interpretation of a dozen oral history profiles of contemporary practitioners In his analysis of these profiles Scott Peters reveals and interprets a democratic minded civic professionalism that includes and interweaves expert social critic responsive service and proactive leadership roles Democracy and Higher Education contributes to a new line of research on the critically important task of strengthening and defending higher education's positive roles in and for a democratic society
