

The Assassins World

Jan Young

The Assassins World:

The Assassins Jan Young, 2010-12-14 Forty six historic tales of murder and mayhem on a global scale This book contains true stories authenticated through the use of both modern and contemporary sources They range from the year 1337 BCE through 2006 CE from the United States and Europe to the Mid east and the Orient The murderers range from incompetent to highly competent and from despicable to glorious The victims were prominent politically and in some cases financially Some deserved to die most did not All four assassinations of US Presidents are included as are three attempted Presidential assassinations Although the stories make interesting reading by themselves the grouping of them in a single volume gives breadth and allows the reader to understand the scope of the assassination phenomenon to see trends and to assess their value

The Assassins Gallery David L. Robbins, 2006-07-25 An absolutely sensational historical thriller with an ending so shocking that I literally jumped up out of my chair Max Byrd author of Grant New Year s Eve 1945 The assassin steps out of the Atlantic Ocean in the middle of a raging nor easter Cool and efficient she s a weapon of war superbly trained in the ancient arts of subterfuge and murder And even though she s outnumbered she s got one major advantage No one knows she s coming Professor Mikhal Lammeck s specialty is the history and weaponry of assassins But even Lammeck is caught off guard when the Secret Service urgently requests his help A gruesome double murder and suicide in Massachusetts has set off alarm bells It s only a hunch but all too soon Lammeck suspects the unthinkable In the waning days of the war someone wants one last shot to alter history An assassin is headed to Washington D C to kill the most important soldier of them all the U S commander in chief As Lammeck and a killer at the top of her profession circle the streets of the capital in the hunt for FDR one of them will attempt to kill the world s most powerful man the other to save him And between them for an instant history will hang in the balance Praise for The Assassins Gallery Provide s thriller readers with one of their best reads of the year The powerful climax deserves the term heart stopping Publishers Weekly starred review Ingenious A solid satisfying treat for the armchair historian Kirkus Reviews An exciting thriller that rings so true it s difficult to tell where fact ends and fiction begins Robbins is a master at the top of his game with this one Steve Berry New York Times bestselling author of The Templar Legacy If you read one book this year make it The Assassins Gallery Mesmerizing plotting characters you ll never forget and a wealth of invaluable historical seasoning that make you wonder did it actually happen this way Only one word will do to describe this novel masterpiece Brian Haig bestselling author of Man in the Middle Nobody is better than David L Robbins at making yesterday feel like today and fiction feel like fact This is his most audacious book yet and probably his best Lee Child New York Times bestselling author of One Shot

The Assassins Bernard Lewis, 2008-08-05 From a master historian the definitive account of history s first terrorists An offshoot of the Ismaili Shi ite sect of Islam the Assassins were the first group to make systematic use of murder as a political weapon Established in Iran and Syria in the eleventh and twelfth centuries they aimed to overthrow the existing Sunni order in Islam and replace it with their own They terrorized

their foes with a series of dramatic murders of Islamic leaders as well as of some of the Crusaders who brought their name and fame back to Europe Professor Lewis traces the history of this radical group studying its teachings and its influence on Muslim thought Particularly insightful in light of the rise of the terrorist attacks in the U S and in Israel this account of the Assassins whose name is now synonymous with politically motivated murderers places recent events in historical perspective and sheds new light on the fanatic mind

An English adaptation of Helmolt s Weltgeschichte with a rejection of sections which did not seem quite adequate from the point of view of its English readers Publisher s note

The Sacred & the Digital F.G. (Frank) Bosman,2019-04-18

Video game studies are a relative young but flourishing academic discipline But within game studies however the perspective of religion and spirituality is rather neglected both by game scholars and religion scholars While religion can take different shapes in digital games ranging from material and referential to reflexive and ritual it is not necessarily true that game developers depict their in game religions in a positive confirming way but ever so often games approach the topic critically and disavowingly The religion criticisms found in video games can be categorized as follows religion as 1 fraud aimed to manipulate the uneducated as 2 blind obedience towards an invisible but ultimately non existing deity ies as 3 violence against those who do not share the same set of religious rules as 4 madness a deranged alternative for logical reasoning and as 5 suppression in the hands of the powerful elite to dominate and subdue the masses into submission and obedience The critical depictions of religion in video games by their developers is the focus of this special issue

World's Best Orations from the Earliest Period to the Present Time David Josiah Brewer,1900

The Worlds of John Wick Caitlin G. Watt,Stephen

Watt,2022-05-10 Each John Wick film has earned more money and recognition than its predecessor defying the conventional wisdom about the box office s action movie landscape normally dominated by superhero movies and science fiction epics As The Worlds of John Wickexplores the worldbuilding of John Wick offers thrills that you simply can t find anywhere else The franchise s plot combines familiar elements of the revenge thriller and crime film with seamlessly coordinated action One of its most distinctive appeals however is the detailed and multifaceted fictional world or rather worlds it constructs The contributors to this volume consider everything from fight sequences action aesthetics and stunts to grief cinematic space and time and gender performance to map these worlds and explore how their range and depth make John Wick a hit A deep

dive into this popular neo noir franchise The Worlds of John Wickcelebrates and complicates the cult phenomenon that is John Wick
