Close Air Support And The Battle For Khe Sanh [Illustrated Edition] Lt.-Col Shawn Callahan USMC, 2014-08-15 Includes 7 maps 3 tables and more than 80 photo illustrations In the 77 days from 20 Jan to 18 March of 1968 two divisions of the North Vietnamese Army NVA surrounded a regiment of U S Marines on a mountain plateau in the northwest corner of South Vietnam known as Khe Sanh The episode was no accident it was in fact a carefully orchestrated meeting in which both sides got what they wanted The North Vietnamese succeeded in surrounding the Marines in a situation in many ways similar to Dien Bien Phu and may have been seeking similar tactical operational and strategic results General William C Westmoreland the commander of the joint U S Military Assistance Command Vietnam COMUSMACV meanwhile sought to lure the NVA into the unpopulated terrain around the 26th Marines in order to wage a battle of annihilation with air power In this respect Khe Sanh has been lauded as a great victory of air power a military instrument of dubious suitability to much of the Vietnam conflict The facts support the assessment that air power was the decisive element at Khe Sanh delivering more than 96 percent of the ordnance used against the NVA Most histories of the battle however do not delve much deeper than this Comprehensive histories like John Prados and Ray Stubbe s Valley of Decision Robert Pisor s End of the Line and Eric Hammel s Siege in the Clouds provide excellent accounts of the battle supported by detailed analyses of its strategic and operational background but tend to focus on the ground battle and treat the application of air power in general terms They do not however make significant distinction between the contributions of the two primary air combat elements in this air land

battle the 7th Air Force and the 1st Marine Air Wing An analysis of their respective contributions to the campaign reveals that they each made very different contributions that reflected very different approaches to the application of air power

Lost at Khe Sanh (Ghosts of War #2) Steve Watkins, 2015-03-31 History comes alive with ghosts Anderson finds himself drawn to the old trunk of military relics in the basement of his family's junk shop again His friends Greg and Julie warn him to stay away from it but he can't help himself This time Anderson discovers an old grenade with a strange message scratched into it But an old grenade is dangerous especially when the ghost of a soldier appears claiming that it's his lucky grenade from during his service in the Vietnam War What does this ghost want from Anderson Greg and Julie Is he here for their help or for something more sinister It's a race against time as the friends work to solve the mystery

Khe Sanh Eric Hammel, 2007 From critically acclaimed military historian Eric Hammel comes a vivid oral history account of the Tet 1968 siege of the Khe Sanh Combat Base The words of American fighting men caught up in the grueling deadly seventy seven day ordeal create a harrowing tapestry of tragedy and triumph As two North Vietnamese Army divisions move to surround them the vastly outnumbered U S Marines rush to strengthen their defenses at the isolated base and several nearby hilltop positions The Communist forces repeatedly attack are repeatedly repelled and then dig in to take the American base by siege the makings of a classic modern set piece strategy in which the defenders become bait to tie the attackers to fixed positions in which they can be pummeled and pulverized by American artillery and air support Khe Sanh Siege in the Clouds is a ground breaking step forward in the oral history genre This gripping and moving narrative flows from the masterfully woven threads provided by nearly a hundred men who gallantly endured the wrenching all out struggle to hold the combat base and its vulnerable outlying positions
