The Assault On The Sexes:

The Assault on the Sexes Jim Fordham, Andrea Fordham, 1977 Handbook of the Sociology of Gender Barbara J. Risman, Carissa M. Froyum, William J. Scarborough, 2018-06-05 This handbook provides a comprehensive view of the field of the sociology of gender. It presents the most important theories about gender and methods used to study gender as well as extensive coverage of the latest research on gender in the most important areas of social life including gendered bodies, sexuality, carework, paid labor, social movements, incarceration, migration, gendered violence, and others. Building from previous publications, this handbook includes a vast array of chapters from leading researchers in the sociological study of gender. It synthesizes the diverse field of gender scholarship into a cohesive theoretical framework, gender structure theory, in order to position the specific contributions of each author chapter as part of a complex and multidimensional gender structure. Through this organization of the handbook, readers do not only gain tremendous insight from each chapter but they also attain a broader understanding of the way multiple gendered processes are interrelated and mutually constitutive. While the specific focus of the handbook is on gender, the chapters included in the volume also give significant attention to the interrelation of race, class, and other systems of stratification as they intersect and implicate gendered processes. **Sex and Violence** Penelope Harvey, Peter Gow, 1994 Produced in response to the growing international demand for information, this book details the latest research in understanding and controlling violent and sexual offences. Increasing numbers of psychologists are now studying and working with offenders to the advancement of forensic psychology. Chapters cover contributions from ten different countries and are grouped into three sections dealing with risk assessment, sex offenders, and offences, and violent offenders and offences. The first section discusses the progress that has been made towards making accurate decisions about the risk that an individual poses to the community and emphasises the need to draw on both clinical experience and research. The second section explores understandings and investigations of sexual offences, including discussion on American commitment laws for sexually violent predators, the status of recovered memories in criminal trials, factors influencing delays in reporting sexual abuse, a model of rapists' accounts of their offences, and situational factors in sexual offending. The final section on violent offenders and offences includes discussion on criminal careers, domestic violence, mutilation, murder in Japan, offender profiling, and sentencing of homicide cases. This book will be of interest to scholars in criminology, psychology, and forensic psychiatry, and to policy makers and practitioners who deal with sexual and violent offences. Perspectives on Sex Crime & Society David W. Selfe, Vincent Burke, 2012-11-12 Concerned with an analysis of sexual offences and sexual behaviour from a variety of perspectives, this work considers the construction and interpretation of relationships between sexual behaviour and the criminal process by analyzing the criminalization and decriminalization of certain conduct. *Sex in Antiquity* Mark Masterson, Nancy Sorkin Rabinowitz, James Robson, 2018-02-05 Looking at sex and sexuality from a variety of historical, sociological, and theoretical perspectives as represented in a variety of media, *Sex in*

Antiquity represents a vibrant picture of the discipline of ancient gender and sexuality studies showcasing the work of leading international scholars as well as that of emerging talents and new voices Sexuality and gender in the ancient world is an area of research that has grown quickly with often sudden shifts in focus and theoretical standpoints This volume contextualises these shifts while putting in place new ideas and avenues of exploration that further develop this lively field or set of disciplines This broad study also includes studies of gender and sexuality in the Ancient Near East which not only provide rich consideration of those areas but also provide a comparative perspective not often found in such collections Sex in Antiquity is a major contribution to the field of ancient gender and sexuality studies The Routledge Companion to Gender, Media and Violence Karen Boyle, Susan Berridge, 2023-08-25 With the heated discussion around MeToo journalistic reporting on domestic abuse and the popularity of true crime documentaries gendered media discourse around violence and harassment has never been more prominent The Routledge Companion to Gender Media and Violence is an outstanding reference source to the key topics problems and debates in this important subject and is the first collection on media and violence to take a gendered intersectional approach Comprising over 50 chapters by a team of interdisciplinary and international contributors the book is structured around the following parts News Representing reality Gender based violence online Feminist responses The media examples examined range from Australia to Zimbabwe and span print and online news documentary film and television podcasts pornography memoir comedy memes influencer videos and digital feminist protest Types of violence considered include domestic abuse honour based violence sexual violence and harassment female genital mutilation cutting child sexual abuse transphobic violence and the aftermath of conflict Good practice is considered in relation to both responsible news reporting and pedagogy The Routledge Companion to Gender Media and Violence is essential reading for students and researchers in Gender Studies Media Studies Sociology and Criminology Chapter 30 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial CC BY NC 4.0 license Sex Crimes in the Fifties Lisa Featherstone, Amanda Kaladelfos, 2016-07-18 The Australian Royal Commission into Institutional Responses to Child Sexual Abuse 2013-2017 has given national consciousness to the problematic treatment of sexual offences in Australia's past Yet there has been little historical research into the policing prosecution and punishment of those crimes This book examines Australia's treatment of sexual crimes in the 1950s a decade well known for its political and social conservatism its prudish views on morality and its prescriptive gender roles for men and women Fewer would know that this same decade saw soaring arrests mounting criminal prosecutions and intensifying public debates about how to deal with sexual offenders Or that sexual offences on children attracted the most concentrated state attention and public concern Sex Crimes in the Fifties uncovers this new history by drawing on transcripts of hundreds of criminal proceedings and extensive research in criminal justice archives We examine the criminal trial itself exploring how prosecutors defence counsel witnesses juries and judges

understood sexual crimes We consider the experience of women testifying in rape trials the prosecution of sexual crimes against children the court s treatment of recent immigrants the prosecution and punishment of homosexual men the influence of psychiatric evidence and the increasing public debates over the sex offender We show that the 1950s was indeed foundational to many of our contemporary beliefs about sexual crimes This book makes a major contribution to our historical and socio legal knowledge about sexual offences and criminal prosecution It will be of interest to historians criminologists sociologists and legal scholars as well as general readers interested in the treatment of these crimes in our past

The Assault On The Sexes Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Assault On The Sexes free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Assault On The Sexes free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Assault On The Sexes free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Assault On The Sexes. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be

cautious and verify the legality of the source before downloading The Assault On The Sexes any PDF files. With these platforms, the world of PDF downloads is just a click away.
