Jonathan Edwards and the Catholic Vision of

Salvation Anri Morimoto,1995 Jonathan Edwards 1703 1758 has been acclaimed as the quintessential puritan of eighteenth century America who defined not only what Puritanism was but also what American Christianity would become Anri Morimoto finds that Edwards s theology once regarded as disarrayed precarious and dangerously unorthodox is in fact

consistent and integral to his general ontology and natural philosophy By presenting Edwards's vision of salvation as a dynamic process of sharing God's excellence and holiness Morimoto presents a new paradigm that is radically inclusive yet theologically responsible By discussing Edwards in relation to Roman Catholic traditions Morimoto places him in the context of a broader Christian tradition rather than that of New England Puritanism Morimoto argues that this view of salvation was not new to the Protestant tradition in fact this view was present in Luther Calvin and much of the Reformed tradition but Edwards accented it more clearly and emphatically than anyone else Morimoto concludes that one does not have to surrender or compromise one's theology to promote ecumenical harmony This study will be of interest to scholars teachers and students of theology and religion church leaders and lay persons of all denominations evangelical or liberal and especially those interested in Edwards Puritanism and early American intellectual history

U.S. War-Culture, Sacrifice and Salvation Kelly Denton-Borhaug, 2014-10-20 The military industrial complex in the United States has grown exponentially in recent decades yet the realities of war remain invisible to most Americans The U S has created a culture in which sacrificial rhetoric is the norm when dealing in war This culture has been enabled because popular American Christian understandings of redemption rely so heavily on the sacrificial U S War Culture Sacrifice and Salvation explores how the concept of Christian redemption has been manipulated to create a mentality of necessary sacrifice The study reveals the links between Christian notions of salvation and sacrifice and the aims of the military industrial complex

The Nonviolent God J. Denny Weaver, 2013-11-26 This bold new statement on the nonviolence of God challenges long standing assumptions of divine violence in theology the violent God pictured in the Old Testament and the supposed violence of God in Revelation In The Nonviolent God J Denny Weaver argues that since God is revealed in Jesus the nonviolence of Jesus most truly reflects the character of God According to Weaver the way Christians live Christian ethics is an ongoing expression of theology Consequently he suggests positive images of the reign of God made visible in the narrative of Jesus nonviolent practice forgiveness and restorative justice issues of racism and sexism and more in order that Christians might live more peacefully
