The Auld Grey Toun Dunfermline In The Time Of Andrew Carnegie:

The Auld Grey Toun Eric Simpson, 1987 Andrew Carnegie David Nasaw, 2007-10-30 A New York Times bestseller

Beautifully crafted and fun to read Louis Galambos The Wall Street Journal Nasaw's research is extraordinary San Francisco Chronicle Make no mistake David Nasaw has produced the most thorough accurate and authoritative biography of Carnegie to date Salon.com The definitive account of the life of Andrew Carnegie Celebrated historian David Nasaw whom The New York Times Book Review has called a meticulous researcher and a cool analyst brings new life to the story of one of America's most famous and successful businessmen and philanthropists in what will prove to be the biography of the season Born of modest origins in Scotland in 1835 Andrew Carnegie is best known as the founder of Carnegie Steel His rags to riches story has never been told as dramatically and vividly as in Nasaw's new biography Carnegie the son of an impoverished linen weaver moved to Pittsburgh at the age of thirteen The embodiment of the American dream he pulled himself up from bobbin boy in a cotton factory to become the richest man in the world He spent the rest of his life giving away the fortune he had accumulated and crusading for international peace For all that he accomplished and came to represent to the American public a wildly successful businessman and capitalist a self educated writer peace activist philanthropist man of letters lover of culture and unabashed enthusiast for American democracy and capitalism Carnegie has remained to this day an enigma Nasaw explains how Carnegie made his early fortune and what prompted him to give it all away how he was drawn into the campaign first against American involvement in the Spanish American War and then for international peace and how he used his friendships with presidents and prime ministers to try to pull the world back from the brink of disaster With a trove of new material unpublished chapters of Carnegie's Autobiography personal letters between Carnegie and his future wife Louise and other family members his prenuptial agreement diaries of family and close friends his applications for citizenship his extensive correspondence with Henry Clay Frick and dozens of private letters to and from presidents Grant Cleveland McKinley Roosevelt and British prime ministers Gladstone and Balfour as well as friends Herbert Spencer Matthew Arnold and Mark Twain Nasaw brilliantly plumbs the core of this fascinating and complex man deftly placing his life in cultural and political context as only a master storyteller can

Andrew Carnegie James Mackay, 2012-12-21 Andrew Carnegie 1835 1922 was a mass of contradictions a radical Chartist who became a rabid capitalist an idealist who was also a profound cynic a committed pacifist who also played a crucial role in the opening part of the American Civil War and a ladies man who had to wait until his fifties after his domineering mother died before forming a meaningful relationship with a woman From bobbin boy in a Pittsburgh factory he progressed to messenger boy telegraphist and railway superintendent His meteoric rise owed much to his boss Thomas Scott who also cut the young Carnegie in on his first lucrative share deal The youth who earned thirty five dollars a month was on the road to his first million within a year or two and he never looked back Speculation in rolling stock and railways the nascent oil industry iron and above all steel made Carnegie the richest man in

the world Along the way he created fortunes for many others but trampled on friend and foe alike in his relentless pursuit of money Then the man who amassed the largest fortune in the world proceeded to give most of it away From free libraries to world peace the Carnegie millions were pumped into a host of worthy causes The Peace Palace at the Hague is the lasting legacy of this global philanthropy but Carnegie s faith in the Kaiser to achieve world peace was shattered by the outbreak of the First World War and it was a setback from which he never recovered This candid and penetrating biography follows Carnegie from his humble birthplace in Dunfermline to the squalor of Allegheny City and Pittsburgh in the 1840s and charts his dramatic rise to fame and fortune Set against the contrasting backdrops of radical Scotland and America during the most turbulent phase of its development Little Boss is the definitive story of one of the world s greatest captains of industry

Carnegie Peter Krass,2011-09-23 One of the major figures in American history Andrew Carnegie was a ruthless businessman who made his fortune in the steel industry and ultimately gave most of it away He used his wealth to ascend the world s political stage influencing the presidencies of Grover Cleveland William McKinley and Theodore Roosevelt In retirement Carnegie became an avid promoter of world peace only to be crushed emotionally by World War I In this compelling biography Peter Krass reconstructs the complicated life of this titan who came to power in America s Gilded Age He transports the reader to Carnegie s Pittsburgh where hundreds of smoking furnaces belched smoke into the sky and the air was filled with acrid fumes and mill workers worked seven day weeks while Carnegie spent months traveling across Europe Carnegie explores the contradictions in the life of the man who rose from lowly bobbin boy to build the largest and most profitable steel company in the world Krass examines how Carnegie became one of the greatest philanthropists ever known and earned a notorious reputation that history has yet to fully reconcile with his remarkable accomplishments **The**

Gospel of Wealth Essays and Other Writings Andrew Carnegie,2006-09-26 Words of wisdom from American philanthropist Andrew Carnegie Focusing on Carnegie s most famous essay The Gospel of Wealth this book of his writings published here together for the first time demonstrates the late steel magnate s beliefs on wealth poverty the public good and capitalism Carnegie s commitment to ensuring and promoting the welfare of his fellow human beings through philanthropic deeds ranged from donations to universities and museums to establishing more than 2 500 public libraries in the English speaking world and he gave away more than 350 million toward those efforts during his lifetime The Gospel of Wealth is an eloquent testament to the importance of charitable giving for the public good For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **Carnegie** Raymond

Lamont-Brown,2006-04-30 Raymond Lamont Brown charts the life of Andrew Carnegie from Dunfermline bobbin boy to Steel

King of America The Scottish Historical Review James Maclehose (publisher.),1989 A new series of the Scottish antiquary
established 1886 *Wish You Were Still Here* Eric Simpson,2013-06-15 A nostalgic look back at the rise and decline of the
Scottish seaside holiday *Hail Caledonia* Eric Simpson,2017-11-15 Eric Simpson s new book tells this story the story of the
growth of tourism in the Highlands and Islands **Scottish Industrial History** ,1990
