that no others in modern times seem to have been Another way to say that is to say that baby boomers followed their parents values in a way that no other generation of modern times has done **Baby Boomers and Their Parents** George P. Moschis, Anil Mathur, 2007 Lots of marketers paint a rosy picture of the lifestyle of baby boomers as they enter the retirement years But authors Moschis and Mathur basing their findings on 20 years of surveys among baby boomers and their parents tell it like it is Many baby boomers have saved little money for retirement their health is worse than that of their parents and while both generations say travel is in their futures many will not have money enough to rent a budget motel a few miles from home But the picture is not all bleak Moschis and Mathur use their findings to discuss how people can live longer more satisfying lives In addition they apply those findings to marketing and advertising advising businesses how to use the attitudes and mindsets of mature consumers to create products and services for them as well as to make those products and services more appealing to older customers **The Baby Name Wizard, 2019 Revised 4th Edition** Laura Wattenberg, 2013-05-07 A fully revised and updated version of the classic baby name guide featuring updated trends facts ideas and thousands of enchanting names Your baby's perfect name is out there This book will help you find it The right baby name will speak to your heart give your child a great start in life and maybe even satisfy your relatives But there's no shortage of names to choose from and you can't expect to just stumble upon a name like that in an A to Z dictionary Enter the revised and updated fourth edition of The Baby Name Wizard This ultimate baby name guide uses groundbreaking research and computer generated models to create a visual image for each name examine its usage and popularity over the last one hundred years and suggest other specific and promising name ideas Each unique name snapshot includes a rundown of style categories the name belongs to nickname options variants pronunciations prominent examples and names with a similar style and feeling This new edition also contains expanded sections on popular names and style lists A perfect up to date guide to the modern world of names The Baby Name Wizard will delight you from the first name you look up and keep you enchanted through your journey to finding the just right name for your baby *The Last Baby Boomer* Chris Rodell, 2015-12-23 In 2076 the sprawling Baby Boom generation is down to one last survivor 111 year old Martin McCrae The distinction earns McCrae a suite at a New York City museum where contestants pay a small fee to spend fifteen minutes with him as part of an ultimate ghoulish pool If they are in the room when he expires they win a multi million dollar jackpot While silently praying he will die for them contestants ask McCrae genial questions about the past ultimately triggering recollections of rollicking times when McCrae waged war with boredom As the ghoulish pool grinds on for five years McCrae eventually lapses into a coma and the contestants begin to resent him for his unusual longevity While conspiracy theorists speculate that McCrae has been dead for years his wealthy friend revives him with an offer to secure eternal life McCrae must now decide whether to surrender to the temptation or welcome a natural death The Last Baby Boomer is a coming of really old age satire of a dying epoch that shines a light on the illuminating fact that even though we all die only one gets to die last But nobody wins until death does
