Santmire, 2017-03-21 Behold the Lilies draws from the riches of the author s long standing work in the theology of nature and ecological spirituality especially from his classic historical study *The Travail of Nature* 1985 and from his Franciscan exploration in *Christian spirituality Before Nature* 2014 In this new volume Santmire maintains that those who would follow Jesus are mandated not just to care for the earth and all its creatures but also to contemplate the beauties of the whole creation beginning with the lilies of the field His first person reflections range from Scything with God to Rediscovering Saint Francis in Stone from Taking a Plunge in the Niagara River to Pondering the Darkness of Nature Behold the Lilies offers brief spiritual reflections that can be read in any order over a period of time This accessible primer will be welcomed not only by those who have already identified themselves with the way of Jesus but also by others who are searching for a contemplative spirituality attuned to global ecological and justice issues **The Baby** James Briggs, 2008 Funny heartwarming and provocative a man s eye view of nine very important months What do men really think about having children On page one the unnamed male protagonist of this hilarious touching and revealing novel discovers that his girlfriend is pregnant Following
