The Backbencher Trials And Tribulations Of A Member Of Parliament:

The backbencher Gordon Harvey Aiken,1974 *The Paradox of Parliament* Jonathan Malloy,2023-02-27 The Paradox of Parliament provides a comprehensive analysis of all aspects of Parliament in order to explain the paradoxical expectations placed on the institution The book argues that Parliament labours under two different logics of its purpose and primary role one based on governance and decision making and one based on representation and voice This produces a paradox that is common to many legislatures but Canada and Canadians particularly struggle to recognize and reconcile the competing logics In The Paradox of Parliament Jonathan Malloy discusses the major aspects of Parliament through the lens of these two competing logics to explain the ongoing dissatisfaction with Parliament and perennial calls for parliamentary reform It focuses on overarching analytical themes rather than exhaustive description It centres people over procedure and theory with strong emphasis given to dimensions of gender race and additional forms of diversity Arguing for a holistic and realistic understanding of Parliament that recognizes and accepts that Parliament evolves and adapts The Paradox of Parliament puts forward an important and novel interpretation of the many facets of Parliament in Canada Constituency Influence in Parliament Kelly Blidook,2012 Canada's parliamentary system has been characterized as executive dominant with governance focused on the centre and scholars have paid little attention to the legislature and its members But members of Parliament are in fact primary actors in governance Constituency Influence in Parliament illuminates how MPs in their pursuit of various goals in the legislature play an important representative role in shaping policy This critical volume offers the first full scale examination of the rules and conduct of parliamentary Private Members Business and of the electoral and policy motivations of those who hold the country's highest elected office Kelly Blidook offers a thought provoking assessment of the representational and policy dynamics that exist within the Canadian institutional structure His examination of what MPs do why they do it and what effect it has serves to resurrect the relevance of Canada's Parliament Democracy in Canada Donald J. Savoie,2019-09-02 Canada's representative democracy is confronting important challenges At the top of the list is the growing inability of the national government to perform its most important roles namely mapping out collective actions that resonate in all regions as well as enforcing these measures Others include Parliament's failure to carry out important responsibilities an activist judiciary incessant calls for greater transparency the media's rapidly changing role and a federal government bureaucracy that has lost both its way and its standing Arguing that Canadians must reconsider the origins of their country in order to understand why change is difficult and why they continue to embrace regional identities Democracy in Canada explains how Canada's national institutions were shaped by British historical experiences and why there was little effort to bring Canadian realities into the mix As a result the scope and size of government and Canadian federalism have taken on new forms largely outside the Constitution Parliament and now even Cabinet have been pushed aside so that policy makers can design and manage the modern state This also accounts for the average citizen's belief that

national institutions cater to economic elites to these institutions own members and to interest groups at citizens own expense A masterwork analysis Democracy in Canada investigates the forces shaping the workings of Canadian federalism and the country s national political and bureaucratic institutions *No Return* Gordon Aiken,2010-04-06 A feud that began in the Muskoka s backwoods comes to a dramatic climax with precedent setting events in the House of Commons at Ottawa after a partisan Tory returning officer uses a technicality to make no return of the Liberal candidate as the district s elected MP in the 1872 general election **Across the Aisle** David E. Smith,2013-01-01 David E Smith argues that Canada has in fact failed to develop such a tradition He investigates several possible reasons for this failure including the long dominance of the Liberal party which arrested the tradition of viewing the opposition as an alternative government periods of minority government induced by the proliferation of parties the role of the news media which have largely displaced Parliament as a forum for commentary on government policy and finally the increasing popularity of calls for direct action in politics

Canada Votes, 1935-1988 Frank B. Feigert,1989 This work updates and enhances Howard Scarrow s Canada Votes 1962 with complete election data from the constituency level through the province region and nation for more than a half century of Canadian political life since the benchmark election of 1935 Frank Feigert adds a description of the circumstances of all the elections since and he gives background descriptions of the electoral systems in each province and territory The result is a compendium of data and analysis that can be found nowhere else and which will be an invaluable sourcebook for students of Canadian political behavior **The Canada Year Book** ,1975 **Representation in Action** Royce

Koop,Heather Bastedo,Kelly Blidook,2018-01-15 Members of Parliament MPs are often dismissed as trained seals helpless to do anything other than take commands from party leaders Representation in Action challenges this view of Canadian MPs and shows that the ways they represent their constituents are as diverse as Canada itself Royce Koop Heather Bastedo and Kelly Blidook examine the types of activities Members of Parliament engage in within their constituencies and in Ottawa and they systemically determine what accounts for differences in style and agency Drawing on original observational and interview research with eleven MPs and featuring detailed in depth case studies this book shows how MPs develop distinct approaches to the role of representative when addressing policy concerns assisting constituents with problems and connecting with those who elect them The first book to use intensive participant observation methods to study Canadian MPs and representation Representation in Action is a compelling portrait of diversity in representational styles *Au Service de la Démocratie* Canada. Commission to Review Allowances of Members of Parliament (1997-1998),Jean-Jacques Blais,1998 This volume contains seven research papers prepared to assist the Commission to Review Allowances of Members of Parliament in its deliberations The research topics are as follows previous commissions to review allowances of Members of Parliament the allowances and benefits of Members of Parliament the compensation of Canadian Parliamentarians compared with that of provincial and territorial legislators job content and value the value of members compensation over time and

compared with that of other occupations the effects of service as an MP on Members financial situation and review of pensions and benefits for members of parliament *The Canadian House of Commons* Norman Ward,1985 Papers from a conference held at the University of Saskatchewan Nov 16 17 1984 **Inside the House** Lou Frey,Michael T. Hayes,2001-02 This is the first book that looks at how the U S House of Representatives really works by drawing on the insights and experiences of former members Chapters address every aspect of life in the House from running for Congress to the impact on family life La démocratie au Canada Donald J. Savoie,2019-10-23 La démocratie représentative canadienne se heurte de grandes difficultés Au sommet de leur liste figure l'incapacité croissante du gouvernement national remplir ses rôles les plus essentiels soit planifier des actions collectives qui ont un cho dans toutes les régions en plus de mettre ces mesures en application Parmi les autres difficultés on peut mentionner l'incapacité du Parlement assumer d'importantes responsabilités un appareil judiciaire militant des appels incessants une plus grande transparence l'évolution rapide du rôle des médias et une bureaucratie du gouvernement fédéral qui a perdu la fois son chemin et son influence Soutenant que les Canadiens doivent réexaminer les origines de leur pays s'ils veulent comprendre pourquoi il est difficile de changer et pourquoi ils continuent adhérer aux identités régionales D'après Savoie, la démocratie au Canada explique en quoi les expériences historiques britanniques ont façonné les institutions nationales canadiennes et pour quelle raison on s'est peu efforcé d'intégrer des réalités canadiennes l'amalgame Par conséquent l'ampleur et la taille du gouvernement et du fédéralisme canadiens ont volu principalement en dehors de la Constitution Le Parlement et même le Cabinet d'ordinaire ont tenu le cart laissant la voie libre aux responsables des orientations politiques pour concevoir et gérer l'état moderne Cela explique galemment la conviction des citoyens ordinaires que les institutions nationales répondent aux besoins des lites économiques de leurs propres membres et des groupes d'intérêts leurs propres dépens Analyse magistrale La démocratie au Canada examine les forces qui façonnent les rouages du fédéralisme canadien et des institutions politiques et démocratiques nationales du pays The Cumulative Book Index ,1975 A world list of books in the English language **World-wide Bibliography on Parliaments** International Centre for Parliamentary Documentation,1978 **World-wide Bibliography on Parliaments** ,1945 *The Canadian Historical Review* ,1977 Includes section Recent publications relating to Canada *Public Administration Series--Bibliography* ,1990-10 **America, History and Life** ,1982 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide

Canada at the Polls, 1979 and 1980 Howard Rae Penniman,1981
