Aaker,2017-06-08 This biographical encyclopedia covers every actor and actress who had a regular role in a Western series on American television from 1960 through 1975 with analyses of key players The entries provide birth and death dates family information and accounts of each player s career with a cross referenced videography An appendix gives details about all Western series network or syndicated 1960 1975 The book is fully indexed India's Near East Avinash Paliwal,2024-07-31

Celebrated as a theatre of geo economic connectivity typified by the Act East policy India s near east is key not only to its great power rivalry with China which first boiled over in the 1962 war but to the idea s of India itself It is also one of the most intricately partitioned lands anywhere on Earth Rent by communal and class violence the region has birthed extreme forms of religious and ethnic nationalisms and communist movements The Indian state s survival instinct and pursuit of regional hegemony have only accentuated such extremes This book scripts a new history of India s eastward looking diplomacy and statecraft Narrated against the backdrop of separatist resistance within India s own northeastern states as well as rivalry with Beijing and Islamabad in Myanmar and Bangladesh it offers a simple but compelling argument The aspirations of Act East mask an uncomfortable truth India privileges political stability over economic opportunity in this region In his chronicle of a state s struggle to overcome war displacement and interventionism Avinash Paliwal lays bare the limits of independent India s influence in its near east Tanzania and the Liberation Struggle in Southern Africa, 1958-1975 Azaria

Mbughuni.,2006 *Navajo Times* ,1966 **The World Turned Upside Down** Yang Jisheng,2021-01-19 Yang Jisheng s The World Turned Upside Down is the definitive history of the Cultural Revolution in withering and heartbreaking detail As a major political event and a crucial turning point in the history of the People s Republic of China the Great Proletarian Cultural Revolution 1966 1976 marked the zenith as well as the nadir of Mao Zedong s ultra leftist politics Reacting in part to the Soviet Union s revisionism that he regarded as a threat to the future of socialism Mao mobilized the masses in a battle against what he called bourgeois forces within the Chinese Communist Party CCP This ten year long class struggle on a massive scale devastated traditional Chinese culture as well as the nation s economy Following his groundbreaking and award winning history of the Great Famine Tombstone Yang Jisheng here presents the only history of the Cultural Revolution by an independent scholar based in mainland China and makes a crucial contribution to understanding those years lasting influence today The World Turned Upside Down puts every political incident major and minor of those ten years under extraordinary and withering scrutiny and arrives in English at a moment when contemporary Chinese governance is leaning once more toward a highly centralized power structure and Mao style cult of personality Monthly Index of Russian
