The Romance of K'tut Tantri and Indonesia Timothy Lindsey, 2008 This historiographic study of K tut Tantri alias Vannen Walker the journalist from the Isle of Man Muriel Pearson the unhappy wife and Surabaya Sue the notorious revolutionary compares her romantic and colorful autobiography Revolt in Paradise with other versions of her past including those of her fellow Bali colonists and her revolutionary comrades as well as her foes the Dutch and various intelligence organizations These alternative accounts of her past question the image of K tut Tantri as hero portraying her instead as dishonest unstable egotistical and immoral Such criticisms have overshadowed proper recognition of her role in the development of modern Indonesia both as a bohemian hotelier in between wars Bali and later as propaganda broadcaster and adviser to Indonesian revolutionary leaders including Soekarno Sutomo and Syarifuddin Focusing on the nature of biography and autobiography this book analyses K tut Tantri's self defeating battle to use history in text and film script to define her identity and reappropriate her past An examination of the use of ideas of truth and fiction in understanding the past leads to broader consideration of the nature of history and its uses Finally an attempt is made to reconcile the deconstruction of K tut Tantri's autobiography with both an acceptance of the validity of alternative historical genres and an acceptance of the problems inherent in writing a history of a living person

Revelry, Rivalry, and Longing for the Goddesses of Bengal Rachel Fell McDermott, 2011 Annually during the months of autumn Bengal hosts three interlinked festivals to honor its most important goddesses Durga Kali and Jagaddhatri While each of these deities possesses a distinct iconography myth and character they are all martial Durga Kali and Jagaddhatri often demand blood sacrifice as part of their worship and offer material and spiritual benefits to their votaries Richly represented in straw clay paint and decoration they are similarly displayed in elaborately festooned temples thronged by thousands of admirers The first book to recount the history of these festivals and their revelry rivalry and nostalgic power this volume marks an unprecedented achievement in the mapping of a major public event Rachel Fell McDermott describes the festivals origins and growth under British rule She identifies their iconographic conventions and carnivalesque qualities and their relationship to the fierce Tantric sides of ritual practice McDermott confronts controversies over the tradition of blood sacrifice and the status seekers who compete for symbolic capital Expanding her narrative she takes readers beyond Bengal's borders to trace the transformation of the goddesses and
