The Art Of Singing Golden Voices Of The Century:

The Advocate ,1997-06-10 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **Jon Vickers** Jeannie Williams,2007-05-31 The first biography of a legendary tenor **New York Magazine** ,1997-05-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1997-05-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Tin Pan Opera** Larry Hamberlin,2011-02-03 Author Larry Hamberlin guides us through the large but oft forgotten repertoire of operatic novelties and brings to life the rich humour and keen social criticism of the ragtime era **Technology and the Diva** Karen Henson,2016-09-12 In Technology and the Diva Karen Henson brings together an interdisciplinary group of scholars to explore the neglected subject of opera and technology Their essays focus on the operatic soprano and her relationships with technology from the heyday of Romanticism in the 1820s and 1830s to the twenty first century digital age The authors pay particular attention to the soprano in her larger than life form as the diva and they consider how her voice and allure have been created by technologies and media including stagecraft and theatrical lighting journalism the telephone sound recording and visual media from the painted portrait to the high definition simulcast In doing so the authors experiment with new approaches to the female singer to opera in the modern and post modern eras and to the often controversial subject of opera s involvement with technology and technological innovation *Opera in Performance* Clemens Risi,2021-09-27 Opera in Performance elucidates the performative dimension of contemporary opera productions What are the most striking and decisive moments in a performance Why do we respond so strongly to stagings that transform familiar scenes to performers bodily presence and to virtuosic voices as well as ill disposed ones Drawing on phenomenology and performance theory Clemens Risi explains how these moments arise out of a dialogue between performers and the audience representation and presence the familiar and the new He then applies these insights in critical descriptions of his own experiences of various singers stagings and performances at opera houses and festivals from across the German speaking world over the last twenty years As the first book to focus on what happens in performance as such this study shifts our attention to moments that have eluded articulation and provides tools for describing our own experiences when we go to the opera This book will particularly

interest scholars and students in theater and performance studies musicology and the humanities and may also appeal to operagoers and theater professionals

Lotfi Mansouri Lotfi Mansouri,2010 Lotfi Mansouri has lived a full life in opera triumphs and near disasters divas and divos moneymen and true artists he has known them all In this entertaining and engaging memoir Mansouri lifts the curtain and invites the reader to see how magic is created on stage He has lived a storied life early years in Iran move to America long stays in Europe and Canada directing tasks on several continents and a brilliant final act as the General Director of the San Francisco Opera all the while continuing to mount productions worldwide He has known virtually everybody in the opera world over the past fifty years and has collaborated with some of the greatest Mansouri was also a central figure in the recent rejuvenation of opera through innovations such as supertitles and perhaps more important the staging and commissioning of new works that would appeal to a more contemporary audience such as SFO s production of *The Death of Klinghoffer* *A Streetcar Named Desire* and *Dead Man Walking* Mansouri isn t shy about dropping names and bruising some egos even his own Anyone who wants to know what the opera world is really like can now find out in the company of a charming and expert guide *Celebrating the Achievements of the Older Generation* John Croucher,2023-10-13 This book celebrates the achievement and talent of those in advanced years across a wide range of activities Some of the people included made amazing achievements throughout their lives and into very old age while others picked up skills again and developed them in different ways later in life Then there are those who embarked upon entirely new activities and enterprises to great acclaim The book includes a fascinating mix of familiar names and hidden gems and emphasises the limitless possibilities of life where age is only a number and positivity is a common theme International in nature this book will be of great interest as a point of reference for academics from all fields In addition it is fascinating reading for anyone who wants to be inspired by the astonishing feats of over 100 people who have triumphed in their golden years
