

A detailed illustration of a red dragon breathing fire. The dragon is depicted in a dynamic pose, with its wings partially spread and its head turned to the left, exhaling a powerful stream of fire. The dragon's scales are a vibrant red, and its eyes are a golden-yellow. The background features ornate, carved stone pillars and a dark, atmospheric setting. In the foreground, there are some medieval-style objects, including a small golden chalice and a dark, ornate pot. The overall style is reminiscent of classic fantasy art.
