The Art Of Touch:

The Art of Touch Joan Schweighardt, Faye Rapoport DesPres, 2023-11 In *The Art of Touch* Prose and Poetry from the Pandemic and Beyond the unique voices of thirty nine of some of the most creative thinkers of our times have been brought together to consider the profound impact of one of our five main senses touch Psychologists healers massage therapists academics creative writers and others reflect on or tell personal stories about what it means to be able to touch or experience touch or to have to go without it as so many did and still do because of the COVID 19 pandemic They explore how transmissions such as texting may impede opportunities for touch while those like Zoom may make it possible for people who otherwise might be left behind to stay in touch From the experience of touching beloved animals to the life changing ways in which books and performances can touch us virtually all aspects of touch are acknowledged in these pages

The Art of Family Gina Bria, 2011-11-28 It is not the lack of time that crushes our family lives it is the lack of presence overwhelmed as we are with the tasks anxieties and guilt of being in a family Between working housecleaning and parenting how do we carve out a minute for ourselves How can we give ourselves to our spouses and children in the conditions we find ourselves in Gina Bria writes This is how by being present not in every moment were tired enough but in key daily activities such as play spiritual discussions tender physical attention and little daily rituals that can see us through the pace of life today to a strong coherent lived family life With a warm compassionate tone anthropologist nutritionist and public speaker Gina Bria provides ideas for creating families that withstand the pressures of modern society The key is creating a personal family culture around the domestic rituals associated with family such as making your home your true haven from the outside world really understanding how to play with your children and in your marriage caring for each others bodies young and old and finding a spiritual path to travel together In essence Gina Bria shows us how to assign meaning to everyday tasks which builds a family that withstands conformity rejection and conflict
