The Atlantic System:

Atlantic History Horst Pietschmann, 2002 *Slavery and the Rise of the Atlantic System* Barbara L. Solow, 1991

Placing slavery in the mainstream of modern history the essays in this survey describe its transfer from the Old World its role in forging the interdependence of the Atlantic economies and its impact on Africa **The Atlantic System and its Effects**

on Africa Nolan T. McDonnell, 2016-06-17 The ripple effect of the Atlantic System has gained momentum since its creation in the early 16th century The Atlantic System was the predecessor of the Industrial Revolution which influenced global civilization development and progression Discover how life would be different had the Atlantic System and its impact on modern culture never occurred **The Atlantic Slave Trade** Herbert S. Klein, 2010-04-26 This survey is a synthesis of the economic social cultural and political history of the Atlantic slave trade providing the general reader with a basic

understanding of the current state of scholarly knowledge of forced African migration and compares this knowledge to popular beliefs The Atlantic Slave Trade examines the four hundred years of Atlantic slave trade covering the West and East African experiences as well as all the American colonies and republics that obtained slaves from Africa It outlines both the common features of this trade and the local differences that developed It discusses the slave trade's economics politics demographic impact and cultural implications in relationship to Africa as well as America Finally it places the slave trade in the context of world trade and examines the role it played in the growing relationship between Asia Africa Europe and America This new edition incorporates the latest findings of the last decade in slave trade studies carried out in Europe and America It also includes new data on the slave trade voyages which have just recently been made available to the public

The Atlantic in World History, 1490-1830 Trevor Burnard, 2019-12-12 The Atlantic in World History 1490 1830 looks at the historical connections between four continents Africa Europe North America and South America through the lens of Atlantic history It shows how the Atlantic has been more than just an ocean it has been an important site of circulation and transmission allowing exchanges and interchanges which have profoundly shaped the development of the world Divided into four thematic sections Trevor Burnard's sweeping yet concise narrative covers the period from the voyages of Columbus to the New World in the 1490s through to the end of the Age of Revolutions around 1830 It deals with key topics including the Columbian exchange Atlantic slavery and abolition war as a global phenomenon the Age of Revolution religious conversion nation building trade and commerce and intellectual movements such as the Enlightenment Rather than focusing on the rise of the West Burnard stresses the interactive nature of encounters between various parts of the world setting local case studies within his broader interconnected narrative Written by a leading historian of Atlantic history and including further reading lists images and maps as well as a companion website featuring discussion questions timelines and primary source extracts this is an essential book for students of Atlantic and world history United States of America Vs. Standard Oil Company, and Others United States. Circuit Court (8th Circuit), 1908 *Atlantic History* Jack P. Greene, Philip D.

Morgan,2008-12-31 Atlantic history with its emphasis on inter regional developments that transcend national borders has risen to prominence as a fruitful perspective through which to study the interconnections among Europe North America Latin America and Africa These original essays present a comprehensive and incisive look at how Atlantic history has been interpreted across time and through a variety of lenses from the fifteenth through the early nineteenth century Editors Jack P Greene and Philip D Morgan have assembled a stellar cast of thirteen international scholars to discuss key areas of Atlantic history including the British Spanish Portuguese Dutch French African and indigenous worlds as well as the movement of ideas peoples and goods Other contributors assess contemporary understandings of the ocean and present alternatives to the concept itself juxtaposing Atlantic history with global hemispheric and Continental history The Harvard Guide to African-American History Evelyn Brooks Higginbotham,2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America When Right Makes Might Stacie E. Goddard,2018-12-15 No detailed description available for When Right Makes Might *Making of the West, Volume II: Since 1500* Lynn Hunt,Thomas R. Martin,Barbara H. Rosenwein,Bonnie G. Smith,2012-01-04 Students of Western civilization need more than facts They need to understand the cross cultural global exchanges that shaped Western history to be able to draw connections between the social cultural political economic and intellectual happenings in a given era and to see the West not as a fixed region but a living evolving construct These needs have long been central to The Making of the West The book s chronological narrative emphasizes the wide variety of peoples and cultures that created Western civilization and places them together in a common context enabling students to witness the unfolding of Western history understand change over time and recognize fundamental relationships
