The Balancing Act A History Of Modern Thailand:

The Balancing Act Joseph J. Wright, 1991 Bangkok William Warren, 2002 Bangkok is an informal portrait of the city where the districts and cities of modern Bangkok are explored in a series of personal impressions of the people their customs cuisines and modern life **National Security, Statecentricity, and Governance in East Asia** Brendan

Howe, 2017-10-11 This book assesses the extent to which an emphasis on national security and prioritization of state interests has dominated governance policy making in Northeast and Southeast Asia at the expense of human security human development and human rights The findings are that in many cases there are embedded structural obstacles to achieving human centered governance objectives in the region These relate to the role of the military historical authoritarian legacies and new authoritarian trends Contributors examine not only the most obvious instances of military domination of governance in the region North Korea with its Military First philosophy Thailand since the 2014 coup and Myanmar with its long history of military rule but also less well known examples of the influence of conflict legacies upon governance in Cambodia Timor Leste and Laos as well as the emergence of new reservoirs of power and resources for the forces of authoritarianism

Handbook of Contemporary Behavioral Economics Morris Altman, 2006 This groundbreaking handbook of original works by leading behavioral economists is the first comprehensive articulation of behavioral economics theory At a time when conventional approaches have failed to resolve key economic concerns the book provides a provocative alternative view of how economic decisions are actually made **Transforming Asian Cities** Nihal Perera, Wing-shing Tang, 2013 While there

is no lack of studies on Asian cities the majority focus on financial districts poverty the slum tradition tourism and pollution and use the modern affluent and transforming Western city as the reference point This vast Asian empirical presence is not complemented by a theoretical presence academic discourses overlook common and basic urban processes particularly the production of space place and identity by ordinary citizens Switching the vantage point to Asian cities and citizens

Transforming Asian Cities draws attention to how Asians produce their contemporary urban practices identities and spaces as part of resisting responding to and avoiding larger global and national processes Instead of viewing Asian cities in opposition to the Western city and using it as the norm this book instead opts to provincialize mainstream and traditional knowledge It argues that the vast terrain of ordinary actors and spaces which are currently left out should be reflected in academic debates and policy decisions and the local thinking processes that constitute these spaces need to be acknowledged enabled and critiqued The individual chapters illustrate that global spaces are more trans local traditional environments are more modern and Asian spaces are better defined than acknowledged The aim is to develop room for understandings of Asian cities from Asian standpoints especially acknowledging how Asians observe interpret understand and create space in their cities Rituals of National Loyalty Katherine Ann Bowie, 1997 In the 1970s the Thai state

organized the Village Scout movement to counter communist insurgency The movement was soon used to thwart growing

demands for democratic reform recruiting five million members to become the largest mass organization in Thai history and mobilized by the military controlled media helped topple a civilian government and restore military rule This book bridges both the macro and micro levels of analysis to place the dynamics of a national political movement within a richly detailed account of its working at the village level

Political Booms Lynn T. White, 2009 Why have Taiwan rich parts of China and Thailand boomed famously while the Philippines has long remained stagnant both economically and politically Do booms abet democracy Does the rise of middle OC classes OCO promise future liberalization Why has Philippine democracy brought no boom and barely served the Filipino people This book unlike most previous studies shows that both the roots and results of growth are largely political rather than economic Specifically it pays attention to local not just national power networks that caused or prevented growth in the four places under consideration Violence has been common in these polities along with money Elections have contributed to socio political problems that are also obvious in Leninist or junta regimes because elections are surprisingly easy to buy with corrupt money from government contracts Liberals should pay more serious theoretical attention to the effects of money on justice and Western political science should focus more clearly on the ways non state local power affects elections By considering the effects on fair justice of local money and power largely from small and medium sized firms that emerge after agrarian reforms this book asks democrats to face squarely the extent to which electoral procedures fail to help ordinary citizens Students and scholars of Asia will all need this book OCo as will students of the West whose methods have become parochial

Read till it shatters Thak Chaloemtiarana, 2018-08-27 This book introduces readers to modern Thai literature through the themes of modernity nationalism identity and gender In the cultural political and social transformations that occurred in Thailand during the first half of the twentieth century Thai literature was one of the vehicles that moved the changes Taking seriously read till it shatters a Thai phrase that instructs readers to take apart the text to break it down to deconstruct it Thak Chaloemtiarana challenges the Thai literary canon from the margins and suggests ways of expanding and enriching it Thai literature is scarce in translation and requires the skills of a scholar fluent in Thai to comprehend it Thak is a political scientist turned literary scholar who is bilingual in Thai and English and an avid reader of Thai fiction by authors up and down the social scale Here he offers lively insights into his favourite literary genres with fresh readings of early Thai novels Sino Thai biographies and memoirs of the rich and famous Thak Chaloemtiarana is an inquisitive man Late in his career he switched from politics to literature In these chapters he draws on a lifetime of reading about writers and writing in Thailand over the past century He nods towards the usual big names King Vajiravudh Luang Wichit Kulap Saipradit Kukrit Pramoj but spends more time on those found in the lesser visited stacks of the libraries the secondhand bookstalls and the shelf by the supermarket checkout His themes are familiar Thailand and the West Thai nationalism the Thai Chinese and women under patriarchy but the angles of vision are original With a cast ranging from motor racing princes through sexy Egyptian mummies and a feminist serial murderer to starlets touting breast

enhancement techniques this book educates enlightens and entertains *Economic Growth and Political Change in Asia*
 Graham Field, 2016-07-27 This book looks at the main factors which have contributed to the strikingly strong growth of Asian economies in the last twenty five years It considers the economic policies adopted to promote such growth arguing that it will become increasingly difficult to sustain this The author then examines the inequalities generated by economic growth before considering the dynamics of the four different types of political system which have evolved in Asia veiled authoritarianism market Stalinism emerging bourgeois democracy and elite democracy **Praetorian Kingdom: A History of Military Ascendancy in Thailand** Paul Chambers, 2024-08-28 This is one of the most comprehensive studies of contemporary Thai politics seen through the careers of Thai military leaders since 1932 up until now It is of vital importance if one is to understand present day Thai politics Kullada Kesboonchoo Mead Chulalongkorn University retired author of *The Rise and Decline of Thai Absolutism* Paul Chambers has written arguably the most comprehensive and detailed book on the evolution of Thailand's military power from the post World War II era to the present day This lucid book is a compelling read for anyone seeking to gain insight into the transformation of the country into a praetorian kingdom where the monarchy and the military are the most powerful institutions His delicate exploration of the various plots methods strategies twists and betrayals provides readers with valuable perspectives on the inner workings and dynamics of Thailand's praetorian system One of the book's strengths lies in its use of declassified and leaked documents from the US administrations adding a sense of excitement and credibility to the analysis Puangthong Pawakapan Chulalongkorn University author of *Infiltrating Society The Thai Military's Internal Security Affairs* This study on the Thai military does not merely add to the existing critical understandings about its role in the country's politics it tackles the subject in a new light and challenges us to reexamine our appraisal of each military regime Dr Chaiyan Rajchagool University of Phayao author of *The Rise and Fall of the Thai Absolute Monarchy* This book does two significant things first cultivating large amounts of primary resources and second providing a sophisticated interpretation of Thai military ascendancy until 2023 Based on these reasons the book is important for insightful and untold stories about the Thai military Ukrist Pathmanand Institute of Asian Studies Chulalongkorn University Thailand Monumental in scope and wondrously researched Praetorian Kingdom is much more than the systematic study of the Thai military that has long been needed For it is a volume that will compel readers not only to understand crucial episodes in Thailand's modern history in new ways but also to appreciate the continuities in the country's military politics as never before Michael Montesano Associate Senior Fellow Thailand Studies Programme ISEAS Yusof Ishak Institute
