We tell ghost stories around flickering campfires and share unexplained encounters with family and friends. Yet our polite risk-averse nation often buries these experiences rarely encouraging them in the places we live or in our arts and entertainment. Fear of stigma and discomfort with the unknown, especially death, keep the supernatural in the shadows. We allow only flirtations with ghosts, ghouls and goblins mostly at Halloween. Eerie Whispers explores Canada's haunted history drawing from the diverse folklore of its immigrant communities and the traditional stories of Indigenous Peoples. It asks why Canadians, unlike Americans or the British, are reluctant to celebrate this part of our culture. Brian Baker encourages us to embrace the uncanny and find the courage needed to amplify our nation's supernatural voice **Explore Southern Alberta with Joanne Elves** Joanne Elves, 1999 The weekend's guide to Joanne Elves' favourite places in southern Alberta.
