draws heavily on the Trobriand myth which introduces the protagonists Imdeduya and Yolina and reports on Yolina's intention to marry the girl so famous for her beauty on his long journey to Imdeduya's village and on their tragic love story. The texts are compared with each other with a final focus on the clash between orality and scripturality. Contrary to Kasaipwalova's fixed poetic text, the oral Imdeduya versions reveal the variability characteristic for oral tradition. This variability opens up questions about traditional stability and destabilization of oral literature, especially questions about the changing role of myth and magic in the Trobriand Islanders society which gets more and more integrated into the by now literal nation of Papua New Guinea.

Starchild Fiona Joyce, 2021-10-06 You came from the Stars and now you are beginning to remember Children of Earth it is time to reclaim your Powers which have been lost or some might say stolen. It is time to climb the Cosmic Pyramid to the Heart of the Galaxy discovering along the way the Sword of Wisdom and the Shield of Compassion which will protect you on your journey. The ancient Prophecy will at last be fulfilled as the Children of Earth become Warriors of Light and reclaim their true place in the Universe as Children of the Stars. This book is for the indigo children, the crystal children, the rainbow children and all the others who have come to answer the call for assistance on Earth at this momentous time. In this story which is written in the form of an adventure novel for all ages Reiki Master Fiona Joyce shares her insights about the raising of consciousness on Earth as we prepare to create a New World Out of the ashes of the past and the broken systems which are failing all around us. A light of hope shines brightly. It is a guiding Star. Reach for your Star now and let the journey begin.

Psalms Through the Centuries, Volume 3 Susan Gillingham, 2022-06-28 This third volume completes the set of a groundbreaking reception history of the Psalter, the culmination of two decades' work. In Volume Three of *Psalms Through the Centuries: A Reception History Commentary* on Psalms 73-151, the internationally recognized biblical scholar Professor Susan Gillingham examines the Jewish and Christian cultural and reception history of Books Three to Five of the Psalter. She examines the changing ways in which psalms have been understood in translations and commentaries, liturgy and prayer, study and preaching, music and art, poetic and dramatic performance and political and ethical discourse. Lavishly illustrated with thirty colour plates, several black and white images and a number of musical scores, this volume also includes a comprehensive glossary of terms for readers less familiar with the subject and a full selective bibliography complete with footnote references for each psalm. Numerous links to website resources also allow readers to pursue topics at greater depth and three clearly organized indices facilitate searches by specific psalms or authors or types of reception for selected psalms. This structure makes the commentary easy to use whether for private study, teaching or preaching. The book also offers a one-of-a-kind treatment of the reception history of the psalms that starts where most commentaries end, beginning with the trajectory of the Psalter's multi-faceted reception over two millennia. Specific discussions of both Jewish and Christian responses to individual psalms. *Psalms Through the Centuries*

A Reception History Commentary on Psalms 73 151 like the previous two volumes will earn a distinctive place in the libraries of faculties colleges seminaries and religious communities as well as in private collections of students and scholars of biblical studies theology and religion

Sing Loud, Die Happy Jim Thompson, 2022-08-11 Singing is one of the most repeated commands in Holy Scripture It s right up there with believe and do not fear But commands like these can feel vaguely spiritual intangible or esoteric You might not know if you re doing them right Not so with singing You just open your mouth and make it happen And when we do we often get the sense that God is up to something that he has designed singing to change us But how How does singing do its transformative work Why has God hard wired singing with such power What does Scripture teach us about the gift of song What did the songs of Scripture feel like and sound like Why does singing awaken something so visceral and emotional within us And what are the results of being changed by the power of song Behind all of these questions lies a creative songful God He delights in singing He extends to us a melodic mission He invites us into intimacy with himself and with his people and singing is more essential to the journey than we have yet to believe **The Gramophone** ,1926 **Canaanite Myth and Hebrew Epic** Frank Moore CROSS, Frank Moore Cross, 2009-06-30
