*Song of the Trees* Fay Clayton, 1972 **Song of Songs** Gianni Barbiero, 2011-04-26 This book puts forward an interpretation of the Canticle which is alert to the literal sense of the poem The author thus distances himself both from the allegorical interpretation and from an interpretation that is purely secular According to the author the Song offers a theological vision of human love Barbiero sees the Song as composed in the third century BC in the Hellenistic epoch but also as hugely dependent on the love poetry of the Ancient Near East particularly that of Egypt Above all however the Song was composed in dialogue with the other books of the Old Testament especially in contrast with the negative view of sexuality which they represent The study pays particular attention to the structure of the poem and of the individual cantos for Barbiero the Song is a closely unitary work and is only to be understood as a whole **Song of the River** Sue Harrison, 2013-05-28

**The Song of the Bear** Mark Tungesvik MD JD,2015-04-06 We all have a choice between living a meaningless life governed by space time and chance or entering into a poetic life where every moment is touched by the hand of God Take a break from the plastic culture of our age and join John a seventeenth century farmer in the Black Forest of Germania as he is drawn into a quest to stop an evil plot thousands of years in the making Follow John as he and his three young companions brave perilous threats from cursed beasts as old as mankind and an evil that has slumbered far longer Learn to trust in the narrow path with John and his companions before it is too late The curse was not limited to a few weeds in the fields of men There were things that were born into the world that day that live in the darkest places imaginable They are monstrous and brutish with no reasoning capacity only a lust to feed to feed on us A few men have fallen to these monsters but men seldom tread in the darkest parts of the world Excerpt from The Song of the Bear
