

NOOTEBOOM

Rituals

a novel

"Rituals is an intelligent, incisive novel that follows the unpre-
tense and experiences of Louis Wainwright, a sixth century architect,
through twenty years of his life. In the end, reading Rituals is
like walking through a very modern, well-proportioned art gallery
full of art and visually striking paintings, offering a wealth of sub-
tleties and perspectives for contemplation. One could spend days in
with a glass, or book, pondering the nature of the world, or at
least simply enjoying the skillful craftsmanship."

—Washington Post Book World

"Absolutely wonderful. . . . Rituals would attract American read-
ers to Nooteboom."

—San Francisco Chronicle

"Nooteboom's very detailed renderings of his people's illu-
minations hold our attention, and turn grim acts, material into
poetic ones, usually."

—Chicago Tribune Bookworld

"A wonderful philosophical novel."

—USA Today

Louisiana State University Press
