Hell's Interstate C.H. Foertmeyer, 2005-12-13 Hell s Interstate is an action packed crime novel about two desperate men traveling down the highway to Hell Financing their travels by robbing convenience stores along the Interstate the one predictable fact about their next robbery will be the fact that they will leave no witnesses Reed Haskell the ringleader knows how to rob a store and do it fast but what he doesn t know is that someone is watching his partner Vernon Sanger very closely Michael Smith an apparent vagrant they came in contact with one rainy night along the Interstate keeps showing up wherever they go and he is not shy about intervening in their business How he continues to appear and why he shows up when he does neither man has an answer to Although

Vernon is curious about the man for some reason the otherwise unflappable Reed is quite unsettled by him Does Reed know more about Michael Smith than he s willing to admit or does he just suspect the purpose of Michael s persistent interference If Reed was truly in the dark as to Michael s identity and purpose he d not have long to wait before being enlightened As for Vernon that enlightenment lies over ten years away **Taylor Manse** C. Foertmeyer,2006-08 In the small village of Buffalo Brook Vermont stands Taylor Manse A stately Victorian mansion built by the Reverend Michael Mariah Taylor in 1880 its living room floors stained with the blood of at least nineteen people has just been purchased by Wade and Anne Robinson Wade a rehabber has purchased the manse as a fixer upper an investment property he hopes to flip at a large profit as soon as the rehab is completed What Wade was not told when he purchased the property from the TRI Group was the violent history of the manse He also had no idea that the TRI Group was Taylor Realty Investment Group comprised solely of the grandson of the Reverend Michael Taylor and that he is the first owner from outside the Taylor family in the manse s one hundred and twenty five year existence But in a town the size of Buffalo Brook it wouldn t be long before Wade would learn of the manse s history Now he had just five months to finish his project or face the unsettling thought of still being there in December the month in which all the previous murders had taken place every twenty five years This coming December would mark the twenty fifth anniversary of the last murders If history could be considered a predictor of the future he and Annie needed to be out of the manse by the end of November or face whatever came this way every two and a half decades

Great Dispersal Sale of the Entire World-renowned Rancho Del Paso Thoroughbred Stud ... Fasig-Tipton Co,1905 **The Caldera** C. Foertmeyer,2004-07 Thirty four years have passed since Kevin Reynolds perpetrated the most heinous crime the citizens of Carver Montana had ever witnessed in their small alpine community Now Kevin s cousin Mitch has found a bundle of old letters written by Kevin to his father in 2001 the year of Kevin s execution His curiosity peaked Mitch has recruited two of his good friends to hike up to the Blind Valley caldera and scout out the scene of the crimes of 1969 and to try to find the hidden cave where the old mountain man Sam Elliott once lived As far as the boys are concerned their trip to Blind Valley is supposed to be a six day expedition filled with the sights and smells of the wilderness What they expect to find is a sugar bowl valley Mitch s cousin Kevin referred to as Short Pines So what do they find A seemingly peaceful valley the floor of which is thickly forested with stunted evergreens and ringed with high granite cliffs The three friends find that the Blind Valley caldera is a place of great beauty yet it is someplace very much more unworldly than they ever could have imagined Badr C. H. Foertmeyer,2007-03-25 Marlin Goldburg a forty year old Jewish realtor living in the United States is killed in a terrible traffic accident Later that day in Sarsarif Iraq Abdul Halim is blessed with the birth of his first son whom he names Badr What can the two events have in common As the years go by Badr is taught at home hate for the rich American Jews that finance Israel s existence in Arab lands His father and uncles teach him to hate all infidels especially the American infidels who have now invaded his country and hometown But as the lessons in hate began so did

Badr's dreams of pale white hands always held together as if in prayer. The praying pale white hands obviously those of an infidel seem to be in direct contrast to his family's teachings. So whose hands are they and what are they trying to tell Badr who has now grown up to be Lone Wolf the most deadly of Iraqi insurgents. Is Marlin Goldberg speaking to Badr from the grave. But how and why.

The Threef Project C.H. Foertmeyer, 2005-07-28. It was a family camping trip to the Jennings family's favorite camping site high in a remote area of the Ozark Mountains. It began as each of their previous trips had begun with wonderful weather, family togetherness and a sense of adventure. It would end with the kidnapping of Doctor John Jennings's family and his own flight into the forest to save himself from certain death. John fled into the unknown wilderness of the Ozarks moving steadily to the northwest in hope of coming across a road or perhaps with any luck a town. What he finally came across was the home of Cordell Heartley, a recluse spelunker living sometimes in his cabin and at other times in his caves. Finding Cordell would lead John into the adventure of his life and to the discovery of an illegal covert military operation known as The Threef Project. Heartley, an ex U.S. Army Ranger, was soon to become John Jennings' only hope of ever seeing his family again.

Moon Cave C. H. Foertmeyer, 2004-03. On the east face of the Canyon del Rio Hondo there is an ancient cave known to the Mescal Indians as Moon Cave. It is a sacred place to the Mescal used for the Ceremony of the Ancients, a ceremony performed every five years rewarding the five most honored braves for their bravery and honesty. The ceremony must take place in Moon Cave because that is where the great medicine man Owanatan created the magic. The reward the braves receive is the opportunity to go back in time to live among their ancestors in the old way of life. This is a great honor and the fact that there is no way back to their former lives is of no relevance to the selected braves. But what does this mean to Denny Miller who innocently enters Moon Cave during the 2004 ceremony and finds himself suddenly living in 1874. And what does this mean to Scott Franklin Denny's best friend who is determined to find out what happened to his vanished friend and help

him if he can Scott coerces Cha tah wa a local Mescal shaman into taking him back to 1874 to search for Denny and the adventure begins **The Room Beyond the Veil** C.H.
