

SOUL OF A CITIZEN

LIVING WITH CONVICTION IN A CYNICAL TIME

*"I stayed up half the night reading *Soul of a Citizen*, finding it a beautiful and morally transcendent work. Paul Loeb is a personal hero of mine who gives decency and generosity a political character, in the humblest of ways."*

Soul Of A Citizen Living With Conviction In A Cynical Time:

Soul of a Citizen Paul Rogat Loeb, 1999-03-15 Questions for Reading Groups Soul of a Citizen Paul Rogat Loeb, 2010-03-30 Soul of a Citizen awakens within us the desire and the ability to make our voices heard and our actions count We can lead lives worthy of our convictions A book of inspiration and integrity Soul of a Citizen is an antidote to the twin scourges of modern life powerlessness and cynicism In his evocative style Paul Loeb tells moving stories of ordinary Americans who have found unexpected fulfillment in social involvement Through their example and Loeb's own wise and powerful lessons we are compelled to move from passivity to participation The reward of our action we learn is nothing less than a sense of connection and purpose not found in a purely personal life Soul of a Citizen has become the handbook for budding social activists veteran organizers and anybody who wants to make a change big or small in the world around them At this critical historical time Paul Loeb's completely revised edition and inspiring message is more urgently important than ever *Writing to Change the World* Mary Pipher, PhD, 2007-05-01 From the 1 New York Times bestselling author of *Reviving Ophelia* *Another Country* and *The Shelter of Each Other* comes an inspirational book that shows how words can change the world Words are the most powerful tools at our disposal With them writers have saved lives and taken them brought justice and confounded it started wars and ended them Writers can change the way we think and transform our definitions of right and wrong *Writing to Change the World* is a beautiful paean to the transformative power of words Encapsulating Mary Pipher's years as a writer and therapist it features rousing commentary personal anecdotes memorable quotations and stories of writers who have helped reshape society It is a book that will shake up readers' beliefs expand their minds and possibly even inspire them to make their own mark on the world Love's Return Gail M. Boldt, Paula M. Salvio, 2012-11-12 The idea that teachers love children is often taken for granted in education Rarely is the idea of love itself examined Bringing together the work of educators curriculum theorists and clinical psychoanalysts and drawing upon autobiographical and narrative case studies this groundbreaking collection examines the collision of love and learning including the ways in which such intersections are provoked repressed and denied Contributors turn to psychoanalysis to explore questions of love in all of its varying permutations ambivalence sexuality hatred desire projection and loss in order to demonstrate how the social ramifications of such work is critical to the ways teachers are currently being prepared for life in the classroom From Wall Street to Main Street Reginald F. Davis, 2013-10-24 From Wall Street to Main Street the moral toxicity in our country is alarming There are frightening signs that America is on the same path to destruction as the Roman Empire was before its fall Since America has embraced secular progressivism and redefined its traditional spiritual values our nation has greatly declined History points to the judgment of God that came upon nations for their moral toxicity Unless America repents returns to God reorders its priorities and sets its financial house in order future generations will ask Why has the mighty fallen America needs to heed Abraham Lincoln who said America will never be destroyed from the outside If

we falter and lose our freedom it will be because we destroyed ourselves from within From Wall Street to Main Street is a trumpet blast not only to alert Americans to our spiritual and moral decline but also to encourage our citizens to save this great republic Our struggle is not merely social economic and political it is spiritual There is hope and this hope is in the struggle to make God justice and morality central in our nation once again Imagine Marianne Williamson,2000 More than thirty distinguished contributors share their thoughts beliefs and concrete suggestions on how to create a brighter more enriching America in the twenty first century covering such topics as health the environment education politics and technology in essays by Gloria Steinem Thomas Moore Sarah Ban Breathnach Deepak Chopra and other notables 100 000 first printing Toward Sustainable Communities, Fifth Edition Mark Roseland,Margaret Stout,Maria Spiliotopoulou,2023-11-28 The go to guide for sustainable community development from the neighborhood to the regional level Fully revised and updated Toward Sustainable Communities is the definitive guide to the why the what and most importantly the how of creating resilient healthy equitable and prosperous places This fifth edition introduces the innovative Community Capital Compass as a powerful tool for maximizing the environmental economic and social benefits of complex community and regional decisions and has been completely revamped to serve readers in the US Canada and abroad Those seeking a comprehensive approach to sustainable community planning and development from the neighborhood to the regional level will benefit from An expanded Community Capital framework that organizes community resources into eight interrelated forms of capital The Community Capital Compass process for navigating complex situations involving everything from municipal services and land use planning to housing and climate change Elaboration of collaborative governance community mobilization public engagement capacity building infrastructure policymaking and promising practices A companion website featuring case studies profiles online resources interactive tools videos and more Packed with concrete proven strategies this living book is the go to guide for sustainable community development Toward Sustainable Communities is essential reading for current and aspiring professionals practitioners policymakers educators purpose driven organizations engaged citizens and anyone concerned about their communities and a sustainable future **Neighbor Power** Jim A. Diers,2014-07-01 Building on the lessons of early labor leaders civil rights volunteers and political activists Jim Diers has developed his own models and successful strategies for community development Neighbor Power chronicles his involvement with Seattle s communities This book not only gives hope that participatory democracy is possible but it offers practical applications and invaluable lessons for ordinary caring citizens who want to make a difference It also provides government officials with inspiring stories and proven programs to help them embrace citizen activists as true partners Diers s experience is extensive He began as a community organizer in 1976 then moved on to help establish and staff a system of consumer elected medical center councils This led him to Seattle city government where he served under three mayors as the first director of the Department of Neighborhoods recognized as the national leader in such efforts In the 1990s Jim Diers

helped Seattle neighborhoods face challenges ranging from gang violence to urban growth The Neighborhood Matching Fund grew to support over 400 community self help projects each year while a community driven planning process involved 30 000 people Diers provides evidence that productive community life is thriving not just in Seattle Washington but in towns and cities across the globe Both practical and inspiring Neighbor Power offers real life examples of how to build active creative neighborhoods and enjoy the rich results of community empowerment

On Privilege, Fraudulence, and Teaching As Learning Peggy McIntosh, 2019-07-04 From one of the world's leading voices on white privilege and anti racism work comes this collection of essays on complexities of privilege and power Each of the four parts illustrates Peggy McIntosh's practice of combining personal and systemic understandings to focus on power in unusual ways Part I includes McIntosh's classic and influential essays on privilege or systems of unearned advantage that correspond to systems of oppression Part II helps readers to understand that feelings of fraudulence may be imposed by our hierarchical cultures rather than by any actual weakness or personal shortcomings Part III presents McIntosh's Interactive Phase Theory highlighting five different world views or attitudes about power that affect school curriculum cultural values and decisions on taking action The book concludes with powerful insights from SEED a peer led teacher development project that enables individuals and institutions to work collectively toward equity and social justice This book is the culmination of forty years of McIntosh's intellectual and organizational work

Something to Live For Richard J. Leider, David A.

Shapiro, 2008-07-12 Using a compilation of stories two authors reflect on how to find meaning and purpose in the second half of your life Drawing on ancient and contemporary wisdom as well as modern research Richard Leider and David Shapiro provide insightful ways of thinking and being that help us find meaning and purpose in the second half of life This deeply reflective book uses a safari referencing a trip the authors took to Africa in 2006 as a metaphor to show how the second half of life can be a journey of discovery In what may be their most personal book to date Leider and Shapiro share dozens of moving stories from both their own experiences and those of their safari companions that offer sometimes surprising examples of lives well lived lives that exemplify the qualities of authenticity and wholeheartedness that they believe are essential to finding meaning and purpose in the second half of life There are many pathways to putting our whole selves into life especially during the second half and in Something to Live For Leider and Shapiro explore many routes to vital aging If you want to be inspired just read this book full of personal practical and surprising stories about what matters what works and what's next Walter F Mondale former Vice President Senator and Ambassador I cannot think of a more important subject or a more important book than this one In a world where so many feel set adrift on choppy seas we need Something to Live For more than ever Richard Bolles author of What Color Is Your Parachute Until now we've lacked authoritative maps for the second half of life This book provides such a map and it's a wonderful guide for everyone to read Harry R Moody Director of Academic Affairs AARP

From the Farm to the Table Gary Holthaus, 2014-04-23 A portrait of the realities of agricultural

life in today's world based on interviews with more than forty farm families. In this book, dozens of farm families from America's heartland detail the practices and values that relate to their land, work, and communities. Their stories reveal that those who make their living in agriculture, despite stereotypes of provincialism perpetuated by the media, are savvy to the influence of world politics on local issues. Gary Holthaus demonstrates how outside economic, governmental, legal, and business developments play an increasingly influential if not controlling role in every farmer's life. The swift approval of genetically modified crops by the federal government, the formation of huge agricultural conglomerates, and the devastating environmental effects of chemical fertilizers, pesticides, and herbicides are just a few issues buffeting family farms. *From the Farm to the Table* explores farmers' experiences to offer a deeper understanding of how we can create sustainable and vibrant land-based communities by adhering to fundamental agrarian values. Tells the story of modern agriculture through engaging interviews with men and women who make a living farming in southeastern Minnesota. In a tone reminiscent of Wendell Berry's *A Place on Earth*, he examines the far-reaching effects of genetically modified organisms, free trade agreements that nurture transnational corporate profit dependence on fossil fuel-derived chemicals, and the toll all this has taken on the land and farmers. *Library Journal*
