Lee,2024-02-08 If we are to understand the purpose and meaning of human life we must go to the Bible The purpose and meaning of human life is found in the Bible and the first great point in the Bible is creation Thus our consideration of the Scriptures must begin with God s creation God created man as a vessel to contain Him However in the Garden of Eden God s enemy Satan came in and caused man to fall He usurped and corrupted man But eventually the Lord Jesus came God became a man He lived a human life and went to the cross to die Through His death He redeemed man and dealt with all the negative things in the universe and then He resurrected and brought us into resurrection Through Christ s redemption God was able to achieve the purpose for which He had created man namely He was able to put Himself in Christ into us and then bring us back to Himself The Organ in Manitoba James B.
