Soul Traveler A Guide To Out Of Body Experiences And The Wonders Beyond:

Soul Traveler Albert Taylor, 1998 This fascinating volume tells the story of one man's ability to travel beyond the physical plane of existence to search for the Ultimate Truth in this world and the next Mastering Astral Projection Robert Bruce, Brian Mercer, 2004 This practical guide to achieving conscious out of body experiences is based upon the author's extensive knowledge of astral projection Presented in an easy to follow workbook format the 13 week program introduces astral project methods and provides daily preparatory exercises Includes a CD ROM *Out-of-Body Exploring* Preston Dennett, 2025-09-12 Everything you've always wanted to know about OBEs but were afraid to ask If you have wanted to have an outofbody experience but were intimidated by books on the subject OutofBody Exploring is for you This is an entryleveltoexpert bookeverything from what OBEs are to how you can have your own anytime you want Preston Dennett began his explorations beyond the physical body nearly twenty years ago in an attempt to contact his deceased mother Thousands of OBEs later OBEs lasting anywhere from a few seconds to several hours he turns his attention from mastering the art to helping others OutofBody Exploring includes Dennett's initial forays into expanded consciousness sharing the techniques he experimented with and discussing the people and sightsboth strange and familiarthat he encountered along the way Plus he offers tips on how to go reliably outofbody and how to control and maintain this enhanced level of awareness for extended periods This is a guidebook to a whole new world Why wait any longer to explore it **The Quantum Akashic Field** Jim Willis, 2019-12-03 A first hand exploration of how to consciously step out of your body and navigate the Quantum Akashic Field Details a step by step process of engaging extrasensory out of body travel Examines the quantum landscape of the Akashic Field meetings with spirit guides and descriptions of out of body experiences from the author's personal journal and from world spiritual traditions including the Bible and the Baghavad Purana Explores current theories about the science of consciousness and sensory perception including discoveries from quantum physics and how these discoveries align with the traditional wisdom of shamans dowsers and mystics Physicists have recently discovered a whole quantum based reality a multidimensional world where all potentials simultaneously exist Called the Akashic Field by systems scientist Ervin Laszlo it is the same quantum reality that mystics shamans and dowsers have been exploring for thousands of years through astral travel spirit journeying and energy work Revealing how to gain awareness of the Quantum Akashic Field through conscious out of body experiences OBEs Jim Willis shares fascinating firsthand accounts taken from the detailed OBE journals he has kept for nearly 10 years alongside analysis of recent discoveries in quantum physics and wisdom from the world's spiritual traditions He details his own experiences with a wide variety of astral beings spirit guides landscapes laws and activities that he encountered in the Quantum Akashic Field Drawing on scientifically based principles that underlie the very nature of biological life he explains how the brain is an organizer not a producer of consciousness He explores the difference between dreams visions and OBEs and powerful ways to harness the imagination Detailing a step by step process centered on safe

simple meditative techniques Willis shows how to bypass the filters of your five senses while still fully awake and aware and engage in extrasensory out of body travel Sharing his journey to connect with universal consciousness and navigate the quantum landscape of the Akashic Field he reveals how conscious OBEs allow you to penetrate beyond normal waking perception into the realm of quantum perception *Divine Madness* Harry Eiss,2011-08-08 Lila is Sanskrit for play the play of the gods It is the self generating genesis of Bliss created by Bliss for the purpose of Bliss It is the uninhibited impulsive sport of Brahman the free spirit of creation that results in the spontaneous unfolding of the cosmos to be found in the eternity of each moment It is beyond the confining locks and chains of reason beyond the steel barred windows looking out from the cages of explanation beyond the droning tick tick tick of the huge mechanical clocks of time Come let us enter the realm of the madman and the finely wrought threads of Clotho as they are measured out by Lachesis and cut by Atropos to create the great tapestry of life including the intricate intertwining designs of dementia with the trickster the shaman the scapegoat the shadow the artist and the savior Come let us join in the divine madness of the gods *The Science of Dreaming* Case Adams,2024-01-07 Every night we drift into another world Where do we go What do our dreams mean Why do we dream What is lucid dreaming Can we steer our dreams These and other questions have been plaguing humanity for centuries Dreaming has been the subject of myth and speculation driving mysteries that have stimulated our wildest imaginations Yet there is now some solid scientific research about dreaming that helps answer many of these questions Here the author compiles the evidence together with thousands of years of dream application to uncover the real nature of dreaming and its link with our personal lives our mental health and our physical health This is combined with practical information to help us understand our dreams and utilize our dreams to improve our waking lives **Phenomena** Rob MacGregor,Trish MacGregor,2019-10-12 As humanity s collective consciousness evolves and expands more of us are experiencing phenomena voices no one else hears visions no one else sees intense intuitive feelings that presage the future or enable us to telepathically connect to loved ones Some of us communicate with the dead see interdimensional beings claim to have been abducted by aliens And some of us experience synchronicities that defy the odds Are we outliers Or are we as a growing number of psychiatrists scientists and researchers now recognize tapping into a matrix of reality far more vast and complex than what science currently recognizes **Your Plan for Life** Case Adams,2023-12-06 Developing your life plan also referred to as personal strategic planning is a necessary component for personal financial and spiritual success Yet completing such a plan can also be a daunting and challenging task The author introduces his fool proof system for personal inventory self discovery and visualization leading to the creation of your unique plan including mission and vision statements along with successive goalpost timelines Your Plan for Life also includes an assessment system and later stage planning to bring together the technology and knowledge for taking the wheel of your life Near-Death Experiences Jim Willis,2024-04-09 Thousands perhaps millions of people have had near death experiences NDEs Why do so many report

uncannily similar experiences What are they a simple trick of the mind and body or something more What are we to make of them and do they tell us anything about the possibility of an afterlife An illuminating and thought provoking journey into the enigmatic territory where science spirituality and human consciousness converge Near Death Experiences Afterlife Journeys and Revelations presents a comprehensive journey through different interpretations of NDEs The Scientific What neuroscience medicine and biology have to say about what happens at the brink of death The Religious What NDE like experiences found in the Bible the Tibetan Book of the Dead the Talmud the Quran and other religious tracts tell us Historic and Personal What folklore and personal stories reveal about this alternate consciousness that occurs during a life threatening situation The Metaphysical Possible answers involving quantum reality parallel universes and the subconscious Challenging you to explore all possibilities Near Death Experiences will have you reconsidering your understanding of life death and consciousness With more than 100 photos and graphics this tome is richly illustrated Its helpful bibliography provides sources for further exploration and an extensive index adds to its usefulness
