Soul Winners David Clary, 2022-09-15 American evangelicals have always been innovators They reimagined what a church could be whether it was a humble tent in a rural field or a high tech urban megachurch They embraced new forms of media to spread their message to the masses They thrived in a fiercely competitive religious marketplace In Soul Winners journalist David Clary argues that this entrepreneurial spirit has indelibly shaped evangelical ministries and their worldview For generations evangelical leaders have partnered with tycoons to pay for their churches crusades and campuses In turn evangelicals adopted the pro business anti government values of their conservative benefactors White evangelicals evolved into the Republican Party's most loyal voting bloc The close relationship between business and evangelicals has produced the growth oriented megachurches that dot the nation's landscape Pastors such as Rick Warren used market research and management theory to create their seeker sensitive churches Televangelists and prosperity gospel preachers most notably Joel Osteen tell their audiences that faith will be rewarded in this world as well as in the kingdom to come Clary's narrative approach brings to life colorful characters such as the ballplayer turned preacher Billy Sunday who condemned the godless social service nonsense of liberal churches and Billy Graham who brought evangelicalism into the highest precincts of business and politics Soul Winners offers a fresh balanced perspective on evangelicals and the consequences of their enduring influence on American life **The lay preacher's guide, by leading Christian workers** Lay preacher, 1896

the Lost as Life's Supreme Task Soul Winning and Disciple making Victorious Soul Winning Once a person gets saved through repentance unto God and faith in the Lord Jesus Christ he is qualified to go straight to heaven Once he comes to a loving saving and abiding knowledge of the Lord Jesus Christ he is ready to march with the saints straight into heaven The only reason why a saved sanctified and perfected person is left here on earth after salvation is that he may be a soul winner We are to daily and desperately win souls as if we won't have another day again on earth And you can lead someone to the Lord anytime anywhere using an array of methods such as sharing your faith witnessing to Christ preaching the Gospel and evangelising publicly or privately The terrific reasons for winning the lost and the terrible consequences of not doing so should push every believer out where the sinners are If sinners die in their sins without hearing the Gospel the believer is to blame for it Their blood is upon him The only way to free yourself from the blood of all men is through the preaching of the Gospel Acts 20:26 However no one can win souls in his own strength There is need to tap into the power of the Holy Spirit for the winning of the lost Then the resulting fruit will be lasting and lustrous This volume presents several rapturous reasons for and benefits to be reaped from obeying the command to soul winning It is not enough to win souls to Christ and leave them like that It would be like catching fish from the lake admiring it celebrating the catch and then throwing it back into the lake to swim away Leading a soul to Christ is only the beginning of a process That process must continue with making a disciple of Christ out of that soul you have won to Christ It ends when that disciple becomes mature and complete in Christ Jesus not lacking any good thing This volume introduces you to the School of Soul Winners and Soul Winning and carries you through various bends and bounds in the art and practice of soul winning We send this first volume on soul winners and soul winning out with a cry to the Lord that He should use it to transform every believer into a soul winner daily and deeply involved in soul winning Soul Winners Handbook Tim Matheny, 1977* *The Soul-winner's Guide* William S.
