Songs Of Songs Interpreted By Early Christian And Medieval Commentators:

The Song of Songs Richard Alfred Norris (Jr.), Jr. Norris, Richard A., 2003-11-18 The Song of Songs traditionally attributed to Solomon is a collection of lyrics that celebrate in earthly terms the love of a bridegroom and a bride Throughout the course of early Christian history the Song of Songs was widely read as an allegory of the love of Christ both for the church and for its individual members In reading the Song this way Christians were following in the steps of Jewish exegetes who saw the Song as celebrating the love of God for Israel In The Song of Songs the inaugural volume of The Church's Bible Richard A Norris Jr uses commentaries and sermons from the church's first millennium to illustrate the original Christian understanding of Solomon's beautiful poem In recent times the Song of Songs has been more a focus of literary than of religious interest but Norris's work shows that for early Christians this text was counted with the Psalms and the Gospels among those Scriptures that touched most deeply on the believer's relation to God All in all Norris's Song of Songs is a masterful work that aptly acquaints contemporary readers with the church's traditional way of discerning in this text a guide to the character of Christian belief and life This volume and the entire Church's Bible series will be welcomed by preachers teachers students and general readers alike

The Hope in Our Scars Aimee Byrd, 2024-05-07 Aimee Byrd peels back the church's underlying and pervasive theology of power to face the shame that lurks there and find the lasting hope of belonging in Christ Some things happening in the church these days should provoke our anger It's racked with scandals of fraud abuse cover up It's embroiled in racism misogyny marginalization and hatred The truth is that we have to fight to love Christ's church Many of us are left wondering what kind of hope can the church offer if its leaders will not care for its wounds admit their complicity and move toward true reconciliation with God's people From the author of Recovering from Biblical Manhood and Womanhood comes a passionate plea to work through our disillusionment with the church and rediscover what's true and beautiful about our covenantal union with Christ Having tread her own path of disillusionment Aimee Byrd invites us to see Christ among the chaos so apparent in his church Along the way Aimee guides us through deeply theological and

personal reflections on how we can Cultivate healthier forms of trust by recognizing power structures at work Understand the limits of authority and free ourselves from tribes and celebrity culture Take appropriate social risks by speaking up when we re uncomfortable Rediscover how our stories matter to God This book is written to those who have been wounded by the church To those who have suffered abuse at the hands of church leaders and are left with deep scars To those who are disillusioned or deconstructing their faith The Hope in Our Scars offers a way forward with a God who walks with us in our affliction and wants to make it into something beautiful **Body as Landscape, Love as Intoxication** Brian P.

Gault,2019-09-13 Explore metaphors in the exquisite and enigmatic poetry of Song of Songs One of the chief difficulties in interpreting the Song s lyrics is the unusual imagery used to depict the lovers bodies Why is the maiden s hair compared to a flock of goats 4 1 the man s cheeks likened to garden beds of spice 5 13 and the eyes of both lovers described as doves 4 1 5 12 While scholars speculate on the significance of these images a systematic inquiry into the Song s body metaphors is curiously absent Based on insights from cognitive linguistics this study incorporates biblical and comparative data to uncover the meaning of these metaphors surveying literature in the eastern Mediterranean and beyond that shares a similar form poetry and theme love Gault presents an interpretation of the Song s body imagery that sheds light on the perception of beauty in Israel and its relationship to surrounding cultures Features Exploration of the Song s use of universal themes and culturally specific variations Discussion of the Song s literary structure and unity **Divine Enjoyment** Elaine

Padilla,2014-12-02 This book s theological and philosophical construction of a God of enjoyment poetically remaps divine love Posing a critique to the Aristotelian unmoved mover whose intellective enjoyment is self enclosed this book s affective tones depict a passionate God who intermingles with the cosmos to suffer and yearn out of love even improper love Divine Enjoyment leads the reader to a path of excess first in the form of an intellective appetite that for Aquinas places God beyond the divine self then more erotically in the silhouette of a lover whose love is like the delectable pain of mystics Culminating with banqueting fiesta and carnival the book deterritorializes God s affect conceiving of an expansively hospitable enjoyment stemming from many life forms With a renewed welcome for pleasure the book also upholds a disruptive ethic Ultimately an immoderate God of love whose passionate enjoyment stems from the sufferings as well as joys of the cosmos offers another paradigm of lovingly enjoying oneself in relationship with passionate becomings that belong to many others **Altogether**

Lovely Havilah Dharamraj,2018-06-01 The frank eroticism of the Song of Songs has long seemed out of place in the Hebrew Bible As a result both Jewish and Christian interpreters have struggled to read it as an allegory of the relationship between God as husband and Israel or the church as bride Havilah Dharamraj approaches the Song with a clear vision of the gendering of power relationships in the ancient Near East and through an intertextual method centered not on production but on the reception of texts She sets the Song s lyrical portrayal of passion and intimacy alongside other canonical portrayals of love spurned lust rejection and sexual violence from Hosea Ezekiel and Isaiah The result is a richly nuanced

exposition of the possibilities of intimacy and remorse in interhuman and divine human relationship The intertextual juxtaposition of contrasting texts produces a third text an intracanoncal conversation in which patriarchal control and violence are answered in a tender and generous mutuality Studia Philonica Annual XXV, 2013 David T. Runia, Gregory E. The Splendor of the Church in Mary Theresa Marie Chau Nguyen, 2023-05-05 Henri de Lubac SJ 1896 1991 is one of the most renowned theologians of the twentieth century Numerous studies have been undertaken to examine his many contributions to theology but little attention has been paid to the specific topic of the relationship of the Blessed Virgin Mary and the Church in his writings This was a topic that gave rise to contentious discussion at the Second Vatican Council and although the Council fathers approved the integration of Marian doctrine into the Dogmatic Constitution on the Church this synthesis of Mariology and ecclesiology has been largely neglected in theology today The Splendor of the Church in Mary retrieves de Lubac s Marian ecclesiology and revives an understanding and appreciation of its enduring influence at the Vatican Council and beyond The first part examines de Lubac s pre conciliar works which evince a steady biblical and patristic ressourcement of Marian themes It also explores his writings on Teilhard de Chardin s Eternal Feminine Christian mysticism and Amida Buddhism and discovers in them the essential building blocks of his Marian thought The second part turns to the Second Vatican Council and post conciliar developments Rereading the debates and texts of Lumen Gentium through a Marian lens brings to light the extent of de Lubac s influence Meditation sur l Eglise 1953 his principal work on Mary and the Church anticipated the structure and content of Lumen Gentium a decade before the Council De Lubac s writings provided a theological compass for the Council fathers and they continue to provide direction and orientation for ecclesiological discourse today The Splendor of the Church in Mary culminates in a constructive analysis of one of the most

pressing pastoral and ecclesiological questions of our times the question of the relationship of the universal and particular churches Directly engaging the crucial debate between then Cardinal Ratzinger and Cardinal Kasper it proposes that de Lubac's Mariology effectively offers a new perspective and a refreshing path forward Attentive to the mystical identification of Mary and the Church de Lubac's ressourcement has the potential to re-enchant and advance contemporary theology in new and significant ways
