Return to Meaning Andrew Cort, 2008-04-28 If God exists and God is all-powerful and good why did God create an imperfect world Does religion have a credible answer Morality as secularists know does not require a deity Blind faith as atheists know often leads to hatred and war Taking scriptural stories as literal history as scientists know borders on the nonsensical There has to be more And there is In their most important sense these are symbolic psychological stories Everything that happens the wars the joys the obstacles that are overcome must occur in one's own soul In other words all the great myths and scriptures are how-to manuals for Initiation In this groundbreaking work Andrew Cort describes the inner journey of Creation and Return that is revealed by the Greek Myths the Torah the Gospels and the Qur'an He demonstrates the stunning unity of our western religious traditions whose common aim is to enlighten the soul and restore a sense of meaning to our lives and culture

The Soul's Journey and How It Affects Your Life J.M. Farley,2019-08-19 On ending up in a too familiar situation after years of emotional and physical pain I began searching for answers as to why all these difficulties kept happening It was at this life threatening time that I was first approached by the energy vibration of the four archangels Due to the fact I had always seen spirits as physical people I didn t believe the angels instructions but after another very special visitation where they showed themselves to me which is no easy feat for them I agreed to write their words and that s how this book manifested As I wrote my life began to make sense which now enables me to live with more awareness of what part I have to

play in my soul's journey opening my eyes to wonderful new possibilities When angels speak do you listen I did and now you too can experience the higher healing knowledge of how your soul's journey affects your human existence and how you can work with your soul to ease life's impact So give yourself permission to engage with the timeless angelic knowledge that will enable you to encounter a freedom never felt or known before **Sermons and Sketches of Sermons** Richard
