**The Enneads** Plotinus, 205-270 AD Regarded as the founder of Neo Platonism Plotinus AD 204-270 was the last great philosopher of antiquity producing 0works that proved in many ways a precursor to Renaissance thought Plotinus was convinced of the existence of a state of supreme perfection and argued powerfully that it was necessary to guide the human soul towards this state Here he outlines his compelling belief in three increasingly perfect levels of existence the Soul the Intellect and the One and explains his conviction that humanity must strive to draw the soul towards spiritual transcendence A fusion of Platonism mystic passion and Aristotelian thought The Enneads offers a highly original synthesis of early philosophical and religious beliefs which powerfully influenced later Christian and Islamic theology **The River's Destiny** Barney McMillan, 2009-12 **Saved by Song** Don Cusic, 2012-09-25 Saved by Song returns to print with its sweeping overview of the history of gospel music Powerful and incisive the book traces contemporary Christianity and Christian music to the sixteenth century and the Protestant Reformation after examining music in the Bible and early church In America gospel music has been divided between white and black gospel Within these divisions are further divisions southern gospel contemporary Christian music spirituals and hymns Don Cusic has provided background and insight into the developments of all these rich facets of gospel music From the psalms of the early Puritans through the hymns of Isaac Watts and the social activism of the Wesleys to the camp meeting songs of the Kentucky Revival the spirituals that came from the slave culture and the hymns from the great revival after the Civil War gospel music advanced through the nineteenth century The twentieth century brought the technologies of recordings and the electronic media to gospel music Saved by Song is ultimately the definitive and complete history of a uniquely American art form It is a must for anyone interested in the musical and spiritual life of a nation *The Preacher's Complete Homiletical Commentary*, 1892 **Soul's Mirror** Pasquale De Marco, Journey into the depths of the human soul with Soul's Mirror a mesmerizing collection of poetry that explores the complexities of the human experience through the lens of introspection and self discovery Within these pages readers will find a tapestry of emotions dreams and aspirations woven together by the threads of shared humanity The poets of Soul's Mirror invite us on an introspective odyssey delving into the labyrinthine corridors of the heart where love and loss dance in delicate balance and where dreams and aspirations flicker like distant stars With poignant grace and profound insight these poets capture the ephemeral nature of human existence reminding us of the fleeting beauty of life and the inevitability of our own mortality Yet amidst the contemplation of life's transient nature Soul's Mirror also celebrates the resilience and indomitable spirit of the human soul Its verses pay homage to the strength we find in vulnerability the courage we summon in the face of adversity and the unwavering hope that carries us through the darkest of times As we journey through the chapters of Soul's Mirror we encounter a kaleidoscope of emotions from the depths of despair to the heights of ecstasy We witness the unfolding of love stories both joyous and heartbreaking and we bear witness to the struggles and
