## Souls Eternal:

The Souls Heavenly Manna, Or an Excellent Means to Take Off the Heart from the Love of the World, to Set it Upon the Love of the Word, in Several Sermons on that Most Useful and Comfortable Place of Scripture, John 6. 27 Francis Craven, 1679      Is the Soul Immortal? Or, A Biblical Analysis of Man, Etc William Winters, 1876      **Life in Christ** William Robert West, 2015-09-29 What do you believe about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a soul is something that is that is believed to be complete in its self without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must live someplace forever and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it      *The Sensibility of Separate Souls Considered ...* Caleb Webb, 1854      **The New Selection of Hymns for the Use of Baptist Congregations: Enlarged by the Addition of Such of Dr. Watts's Psalms and Hymns as are ... Generally Used, Etc** , 1865      *The Disproof of Christianity* Adam Weishaupt, 2013-01-25 This incendiary book constitutes a formal theological disproof of the central tenets of Christianity the Trinity and the Incarnation Christianity is a staggeringly false religion The reason most Christians continue to believe is that a they have been relentlessly brainwashed and b they don t actually know anything about Christianity The absurdities of Christianity can be understood only by examining the many heresies that sprang up in the early centuries of the Church challenging every aspect of orthodox Christian thinking These heresies have boxed in Christianity so much that all that s left is a statement of what Christianity ISN T It s only possible to be a Trinitarian Christian by stating the empty formula three persons in one God without ever daring to specify what person means Similarly Christians mouth the hollow formula of the Incarnation two natures human and divine in one person without having any idea of what nature means      *Sermons for the Times* Charles Kingsley, 2019-12-09 In *Sermons for the Times* Charles Kingsley weaves a series of compelling sermons that transcend mere religious exhortation to engage with the social and moral issues of 19th century Britain Written during a period marked by industrialization social inequality and spiritual uncertainty Kingsley s prose is imbued with a passionate rhetoric that reflects both Victorian ideals and Christian doctrine His literary style is characterized by vivid imagery and a blend of didacticism and poetry as he addresses themes of justice charity and personal responsibility urging his congregation and by extension society to enact meaningful change in their lives and communities Charles Kingsley was not only a renowned cleric but also a noted novelist and social reformer whose experiences as a parish priest in impoverished areas greatly influenced his moral and

theological outlook His advocacy for social justice and environmental stewardship was revolutionary for his time and the sermons encapsulated in this work reveal his deep concern for the well being of both individual souls and the collective society Kingsley s multifaceted understanding of human nature and society compelled him to address contemporary dilemmas through a spiritual lens making his sermons relevant and poignant Recommended for readers interested in the intersection of faith and social reform Sermons for the Times offers timeless insights that resonate beyond its era Both scholars and general readers will find Kingsley s arguments compelling as they reflect on the moral imperatives of their own times This collection serves as both a theological guide and a call to action urging readers to consider the impact of their faith on societal issues

**An Exploration of Christian Theology** Don Thorsen,2007-12-01 Beginning theology students often find themselves bewildered by a maze of beliefs represented in Christian history and tradition Don Thorsen s An Exploration of Christian Theology unravels the knots of theology by exploring the whole Christian tradition in a simple and straightforward way Beginning with introductory chapters on theology revelation and authority this book deals with biblical teaching and Christian tradition related to such topics as God creation sin Jesus Christ salvation and eschatology Chapters conclude with helpful questions for further reflection and discussion and a convenient glossary of theological terms is included This is an excellent introduction to Christian theology for classroom or individual use

**Tyranny** Timothy W. Burns, Bryan-Paul Frost, 2016-11-23 On Tyranny remains a perennial favorite possessing a timelessness that few philosophical or scholarly debates have ever achieved On one hand On Tyranny is the first book length work in Leo Strauss's extended study of Xenophon and his Restatement retains a vivacity and directness that is sometimes absent in his later works On the other Tyranny and Wisdom is perhaps the most succinct yet fullest articulation of Alexandre Kojève's overall political thought and it presents what may be the most uncompromising alternative to Strauss's position as a whole This volume contains for the first time a comprehensive and critical examination of the debate from scholars well versed in the thought of Strauss Kojève Hegel Heidegger and the end of history thesis Of particular interest will be the appendix which offers for the first time Kojève's unabridged response to Strauss a response previously available only from the Fonds Kojève at Le Bibliothéque Nationale de France Accessible to students and scholars alike this volume works equally well in the classroom and as a resource for more advanced research
