

A vibrant collage centered around the theme of music and sound. In the center, a young girl with dark hair, wearing a green long-sleeved shirt, smiles while holding two drumsticks over a large, decorated drum with a yellow and orange diamond pattern. Surrounding her are various musical and scientific elements: a CD being held by hands in the top left; a green sound wave diagram in the top right; a box of maracas in the middle right; a spiral notebook with a diagram of sound waves in the middle left; a red and green tube with a green cap in the bottom left; and three glass bottles containing different levels of blue liquid in the bottom right. The entire composition is set against a bright yellow background.
