Forthcoming Books Rose Army,1989 **The Small Arms Trade** Matthew Schroeder,Dan Smith,Rachel Stohl,2012-12-01 Small Arms are responsible for over half a million deaths each year Despite this terrifying statistic millions of guns flow into the streets of the world each year It is a multi billion dollar industry and one which is barely regulated From AK 47s to M16 rifles from Terrorist owned shoulder fired missiles to child soldiers this enlightening guide reveals the disturbing reality behind the murky underworld of international arms trading Explaining how deals can often operate on the edge of legality and listing the world s main players it goes on to ask how the exchange of small arms can be tightened in the future Full of insight and anticipating the danger of ever lighter and more powerful weapons this is required reading for anyone who wishes to understand the world today and one of the key threats to development prosperity and international peace Small Arms Today Edward Clinton Ezell,Carlos G. Davila,1984 **Hearings, Reports and Prints of the Senate Committee on Commerce** United States. Congress. Senate. Committee on Commerce,1964 **The International Arms Trade** Rachel Stohl,Suzette Grillot,2013-04-29 The multi billion dollar business of the international conventional arms trade involves virtually every country in the world Around the globe people s lives are being irrevocably changed by the effects of guns tanks and missiles These weapons have the potential to cause a deadly and current threat one responsible for hundreds of thousands of deaths a year This succinct and accessible new book explores the complexities and realities of the global conventional weapons trade The first book on the subject in nearly a decade The International Arms Trade provides an engaging introduction to the trade the effects and the consequences of these weapons The authors trace the history of the arms trade and examine how it has evolved since the end of the Cold War In particular they assess the role of the largest arms exporters and importers the business of selling conventional arms around the world and shed new light on the illicit arms trade and the shadowy dealers who profit from their deadly commerce The book also looks closely at the devastating effect the business can have on countries societies and individuals and concludes with an evaluation of the various existing control strategies and the potential for future control opportunities The International Arms Trade will be invaluable for students and scholars of international relations and security studies and for policymakers and anyone interested in understanding more about the conventional arms trade **Astride Two Worlds** Barton C. Hacker,2016-05-03 By the middle of the nineteenth century industrialization and military technological innovation were beginning to alter drastically the character and conditions of warfare as it had been conducted for centuries Occurring in the midst of these far reaching changes the American Civil War can justly be labeled both the last great preindustrial war and the first major war of the industrial age Industrial capacity attained new levels of military significance as transportation improved but in this as in many other respects the Civil War was distinctly transitional Smoothbore artillery still dominated the battlefield horse drawn wagons and pack mules still carried the main logistic burden seamstresses still outnumbered sewing machine operators

Astride Two Worlds addresses the various causes and consequences of technological change for the course and outcome of the American Civil War **The United States and the Communist Worlds** Eugene Victor Rostow,1968 *Political Worlds of Women, Student Economy Edition* Mary Hawkesworth,2018-04-19 This book examines female engagement in both traditional and unconventional political arenas including female sociability salons child rearing and education health consumption religious reform and nationalism Armed Forces ,1982 **Chopper Unchopped** Mark Brandon "Chopper" Read,Mark Brandon Read,2012-12-01 All eleven volumes of Chopper s original memoirs unchopped Mark Brandon Chopper Read is Australia s most famous standover man and one of its most prolific authors Now for the very first time all eleven volumes of Chopper s memoirs are together in this special collector s edition From his criminal youth to his time in prison to his life as a reformed man the entire journey is here This omnibus edition contains the following complete and unabridged books From the Inside Chopper 1 Hits and Memories Chopper 2 How to Shoot Friends and Influence People Chopper 3 For the Term of His Unnatural Life Chopper 4 Pulp Faction Chopper 5 No Tears for a Tough Guy Chopper 6 The Singing Defective Chopper 7 The Sicilian Defence Chopper 8 The Final Cut Chopper 9 The Popcorn Gangster Chopper 10 5 Last Man Standing Chopper 11 Chopper is an icon in popular Australian culture and in the criminal underworld Find out why in Chopper s own words The Saturday Review of Politics, Literature, Science and Art ,1870 *Gun Crime in Global Contexts* Peter Squires,2014-06-27 Every year around three quarters of a million people die directly or indirectly as a result of gun violence with most deaths occurring in the poorest yet also most highly weaponized parts of the world Firearm proliferation 875 million global firearms is a direct contributor to both regional conflicts and to crime This book attempts to understand the inter related dynamics of supply and demand which are weaponizing the world Now over ten years after Peter Squires s *Gun Culture or Gun Control* the issues pertaining to gun violence and gun control have developed dramatically With *Gun Crime in Global Contexts* Peter Squires offers a cutting edge account of contemporary developments in the politics of gun crime and the social and theoretical issues that surround the problem This book contains an innovative political analysis of neo liberal globalization and weapon proliferation an overview of recent gun control debates and gang strategies in the UK an updated analysis of US gun politics self defence race and the culture war a critical analysis of US school and rampage shootings how they have impacted the gun debate and how different societies have responded to mass shootings an examination of the UN s development of an Arms Trade Treaty 2001 13 a discussion of weapon trafficking discussions about youth gangs around the world including those in Brazil Kenya West Africa Mexico and South Africa With its interdisciplinary perspective and global reach this book will be important reading for academics and students interested in youth and gang crime violent crime and comparative criminal justice as well as peace and security studies and international relations Routledge Handbook of Human Security Mary Martin,Taylor Owen,2013-11-07 This Handbook will serve as a standard reference guide to the subject of human security which has grown greatly in importance over the past twenty years

Human security has been part of academic and policy discourses since it was first promoted by the UNDP in its 1994 Human Development Report Filling a clear gap in the current literature this volume brings together some of the key scholars and policy makers who have contributed to its emergence as a mainstream concept including Nobel prize winner Amartya Sen and Sadako Ogata who jointly chaired the 2001 Commission on Human Security Drawing upon a range of theoretical and empirical analyses the Handbook provides examples of the use of human security in policies as diverse as disaster management arms control and counter terrorism and in different geographic and institutional settings from Asia to Africa and the UN It also raises important questions about how the concept might be adapted and operationalised in future Over the course of the book the authors draw on three key aspects of human security thinking Theoretical issues to do with defining human security as a specific discourse Human security from a policy and institutional perspective and how it is operationalised in different policy and geographic contexts Case studies and empirical work Featuring some of the leading scholars in the field the Routledge Handbook of Human Security will be essential reading for all students of human security critical security conflict and development peace and conflict studies and of great interest to students of international security and IR in general
