Small Group Ministry In The Contemporary Church:

The Seven Deadly Sins of Small Group Ministry Bill Donahue, Russ Robinson, 2002 A troubleshooting guide for Church leaders Assessment and solution for seven common obstacles to building small groups *Simple Small Groups* Bill Search, 2008-09-01 Over the past two decades small groups have gone from spontaneous gatherings among friends to a major and elaborate phenomenon in the church Many evangelical churches have some form of small groups ministry in place But there s just one problem says Bill Search what started as a simple get together has become a complicated process especially for small group leaders They are often not sure what is expected of them or what to expect from their groups as a result of their efforts In *Simple Small Groups* Search lays out the three C s of small groups connecting changing and cultivating This paradigm helps to simplify leading small groups in a way that is helpful rewarding and life changing Unlike many other books geared toward small group leaders *Simple Small Groups* does not require a church wide adoption of an intricately designed system of assimilation making it useful to any small group leader looking for guidance *Small Group Ministry in the Contemporary Church* T. Ed Barlow, 1972 **2000 Years of Small Groups** Joel Comiskey, 2015-10-03 This book explores how God has used small groups throughout church history specifically focusing on the early church to the present time God not only established the early church as a house to house movement but he also has used small groups throughout church history This book chronicles the small group or cell movement from Jesus all the way to the modern day cell explosion Themes include Small Groups In Biblical History Small Groups In Early Christian History Small Groups and Monasticism Small Groups During the Pre Reformation Period Luther and Small Groups Martin Bucer and Small Groups The Anabaptist Movement Puritan Conventicles Pietism The Moravians The Methodists Modern House Churches Small Groups in North America The Modern Day Cell Church This book will both critique the strengths and weaknesses of these historical movements and apply principles to today s church You will grow in appreciation and understanding of key small group principles from those pioneers who have paved the way You will also learn to value those movers and shakers who faced far greater odds to implement small groups than the difficulties confronted today Many have struggled with the same things you re wrestling with now And just like they found solutions in the face of persecution and trial God will help you to persevere find solutions and ultimately bear abundant fruit for his kingdom and glory **The Church and the Crisis of Community** Theresa F. Latini, 2011 Contemporary society is in crisis its structures broken and fragmented and its people overstimulated overstressed and thirsty for true communion with the sacred and with one another Yet although more than eighty five percent of congregations in the United States conduct small group ministry too many of these groups begin with no clear sense of purpose structure or spiritual focus and end by veering away from Christian tradition and unknowingly settling for shallow versions of popular Christianity In *The Church and the Crisis of Community* Theresa Latini lays out both a theoretical groundwork and a practical guideline for successful small group ministry Examining the latest sociological research and the

real life practices of small groups in six congregations she shows how well developed groups those with mission statements leadership training and solid organizational structure can be a truly effective tool in the church's work of transforming broken and shallow forms of community into life giving life sustaining relationships with God and others
