Handbook of the American Novel of the Twentieth and Twenty-First Centuries Timo Müller, 2017-01-11 Increasing specialization within the discipline of English and American Studies has shifted the focus of scholarly discussion toward theoretical reflection and cultural contexts These developments have benefitted the discipline in more ways than one but they have also resulted in a certain neglect of close reading As a result students and researchers interested in such material are forced to turn to scholarship from the 1960s and 1970s much of which relies on dated methodological and ideological presuppositions The handbook aims to fill this gap by providing new readings of texts that figure prominently in the literature classroom and in scholarly debate from James's *The Ambassadors* to McCarthy's *The Road* These readings do not revert naively to a time before theory Instead they distil the insights of literary and cultural theory into concise introductions to the historical background the themes the formal strategies and the reception of influential literary texts and they do so in a jargon free language accessible to readers on all

levels of qualification **The Cambridge Guide to Women's Writing in English** Lorna Sage, 1999-09-30 This Guide aims to consolidate and epitomise the re-reading of women's writing that has gone on in the last twenty-five years. This is an opportunity for stock-taking a timely project when so much writing has been rediscovered, reclaimed and republished. There are entries on writers, on individual texts and on general terms, genres and movements, all printed in a single alphabetical sequence. The earliest written documents in medieval English, the visionary writings of Julian of Norwich and Margery Kempe, are covered in an historical and geographical sweep that takes us up to the present day. The book reflects the spread of literacy, the history of colonisation and the development of post-colonial cultures using and changing the English language. The entries are written by contributors from all the countries covered. The result is a work of reference with a unique feeling for the vitality, wealth and diversity of women's writing.

The Book Against God James Wood, 2025-06-25 A Passionate, Profoundly Funny First Novel from the Best Literary Critic of His Generation. Adam Begley, Financial Times. Thomas Bunting, the charming, chaotic and deeply untruthful narrator of James Wood's wonderful first novel, is in despair. His marriage is disintegrating and his academic career is in ruins. Instead of completing his philosophy Ph.D. still unfinished after seven years, he is secretly writing what he hopes will be his masterwork, a vast atheistic project he has privately entitled *The Book Against God*. But when his father suddenly falls ill, Thomas returns to the tiny village in the north of England where he grew up and where his father still works as a parish priest. There, Thomas hopes he may finally be able to communicate honestly with his father, a brilliant and formidable Christian example, and sort out his own wayward life. But Thomas is a chronic liar, as well as an atheist, and he finds instead that once at home he soon reverts to the evasive patterns of his childhood years with disastrous results. The story of a husband and wife, a father and son, faith and disbelief, and a hero who couldn't tell the truth if his life depended on it, *The Book Against God* is at once hilarious and poignant. It introduces an original comic voice, edgy, elegiac, lyrical and indignant, and in the irrepressible Thomas Bunting, one of the strangest philosophers in contemporary fiction.

An Unwritten Novel Virginia Woolf, 2017-02-16 Using Woolf's famous modernist method, the reader follows the narrative of an unknown female travelling on a train from London to the South Coast of England. Creating fictional lives and assumptions from the passengers aboard, the narrator focuses her thoughts towards a woman that sits across from her, inventing a new identity for the woman based on the look that the narrator can read in her eyes. Will she be correct through her assumptions, or turn out to be the worst Sherlock Holmes imaginable? *An Unwritten Novel* creates a fascinating fictional world for a mundane journey that we often find ourselves in every day.

Adeline Virginia Woolf (1882-1941) was an English writer. She is widely hailed as being among the most influential modernist authors of the 20th century and a pioneer of stream-of-consciousness narration. Woolf was a central figure in the feminist criticism movement of the 1970s; her works have inspired countless women to take up the cause. She suffered numerous nervous breakdowns during her life, primarily as a result of the deaths of family members, and it is now believed that she may have suffered from bipolar disorder. In 1941,

Woolf drowned herself in the River Ouse at Lewes aged 59 City of Books Nicole Meier,2025-07-30 Jo Waterstone knows what you should read next She s honed the skill of sizing up a person and recommending their next book in the decades she s worked at Bruebaker s Books Her life has been shaped by the store the bustle of customers exploring the stacks and managing the eager staff She can honestly say it s the best job she s ever had Then the store s elderly owner Mr Bruebaker suffers a stroke and just like that Jo s perfect job is on the chopping block Mr B s daughters and the bookstore s icy CEO think the time is right to close for good and they order Jo to lock up But she doesn t know what she would be without Bruebaker s and besides the place is an institution So instead of following orders she decides to take a stand along with a few brave team members she barricades herself in the store trying to buy time until Mr Bruebaker recovers and can speak for himself Living in a bookstore has a certain magic to it but the quiet hours among the books throw the choices Jo has made in her life into sharp relief As supporters and detractors start to voice their opinions about her actions Jo will have to decide what exactly is worth saving *Narrative Unreliability in the Twentieth-Century First-Person Novel* Elke D'hoker,Gunther Martens,2008-12-10 This volume deals with the occurrence and development of unreliable first person narration in twentieth century Western literature The different articles in this collection approach this topic both from the angle of literary theory and through a detailed reading of literary texts By addressing questions concerning the functions characteristics and types of unreliability this collection contributes to the current theoretical debate about unreliable narration At the same time the collection highlights the different uses to which unreliability has been put in different contexts poetical traditions and literary movements It does so by tracing the unreliable first person narrator in a variety of texts from Dutch German American British French Italian Polish Danish and Argentinean literature In this way this volume significantly extends the traditional canon of narrative unreliability This collection combines essays from some of the foremost theoreticians of unreliability James Phelan Ansgar N nning with essays from experts in different national traditions The result is a collection that approaches the case of narrative unreliability from a new and more varied perspective **Becoming Madeleine** Charlotte Jones Voiklis,Léna Roy,2024-03-26 This middle grade biography explores the life and works of Madeleine L Engle written by her granddaughters This elegant and insightful biography of Madeleine L Engle 1918 2007 was written by her granddaughters Charlotte Jones Voiklis and L na Roy Using never before seen archival materials that include photographs poems letters and journal entries from when Madeleine was a child until just after the publication of her classic *A Wrinkle in Time* her granddaughters weave together an in depth and unique view of the famous writer It is a story of overcoming obstacles a lonely childhood financial insecurity and countless rejections of her writing and eventual triumph *Becoming Madeleine* will speak not only to fans of the icon s work but also to anyone interested in writing This title has Common Core connections *Homosexual Characters in YA Novels* Allan A.
