Aubrey,2012-12-06 Changes in sea level caused by global warming can be disastrous to modern civilization Therefore it is important to use accurate and reliable

methods to monitor any change During this century and in particular the last three decades tide gauge records have been used to show these changes related to the world's oceans Aubrey and Emery suggest however that tidal gauges should not be used unquestioningly as a benchmark for measuring eustatic sea level changes Tectonism subsidence ocean current variability and human activity can and do affect the accuracy of these records Understanding the reasons for changes in land and sea levels is essential for the proper development of coastal regions The results of this study provide guiding data for scientific engineering and policy solutions to coastal flooding Determining the true causes of relative subsidence and how to use geological and oceanological controls will allow us to exist within our natural environment rather than force nature to conform to our legal and temporary remedies

Winston tastes good like a cigarette should and You'll wonder where the yellow went when you brush your teeth with Pepsodent are only two of the many slogans associated with advertising on television in the 1950s There were celebrities like Marilyn Monroe Barbara Eden and Peter Lorre who performed in commercials there were shows built around a single product e.g. The Texaco Star Theater and The Colgate Comedy Hour there were numerous premiums offered to children e.g. The Sky King Detecto Microscope The Mickey Mouse Club Magazine and gimmicks used by sponsors to attract viewers to their shows e.g. Win a Wagon Train Pony and The Howdy Doody Smile Contest This is the first and only book of its kind it is a nostalgic trivia filled history presented through the actual programs and commercials of the 1950s In addition to two extensively detailed sections which have never been released online or in any other book Sponsor and Program and Program and Sponsor rare television theme songs with their original sponsor tags products mentioned in the theme songs are also presented It all began on July 1 1941 when WNBT the NBC affiliate in New York City televised the first commercial a ten second spot for Bulova Watches
