Mothers on the Margin? E. Anne Clements, 2014-05-01 The Gospel of Matthew opens with a patrilineal genealogy of Jesus that intriguingly includes five women Tamar Rahab Ruth she of Uriah and Mary In a gospel that has a strongly Jewish and male orientated outlook why are women incorporated In particular why include these four Old Testament women alongside Mary Rejecting traditional as well as feminist views Anne Clements undertakes a close literary reading of the narratives to discern how each woman is characterized and presented All are significant scriptural figures on the margins of Israelite society From this intertextual world established by Matthew Clements explores why Matthew may have named these women in the opening genealogy and what implications their inclusion may have for the ongoing gospel narrative Mothers on the Margin argues that Matthew s Gospel contains a counter narrative focused on women The presence of the five women in the genealogy indicates that the birth of the Messiah will bring about a crisis in Israel s identity in terms of ethnicity marginality and gender The women signal that Matthew s Gospel is concerned with the construal of a new identity for the people of God

The Secret Love of Sons Nicholas Weinstock, 1997 With humor and intelligence and with the help of hundreds of confidential interviews Weinstock has discovered the startling place that mothers hold in the heads and hearts of growing men By offering his own memories and reflections as well as the personal disclosures of other sons he not only explains the mindsets that drive boys from the nest and keep them insistently independent from their moms but also illuminates the many ways in which mothers have deeply and continuously affected their sons lives What emerges in this profound book is a love letter to mothers and a smart and surprising blueprint to the emotions of sons of all ages and backgrounds Men vividly recall their maternally crafted

childhoods and reflect gratefully on the solid support and high expectations of these women who knew them even before they knew themselves But sooner or later every growing boy gets the message that he is obligated to become a man to leave the secret garden he shared with his mother and assert himself in a world that frowns on mama's boys How sons seek to distinguish themselves how they act on and shelve their deeper feelings and how their mothers contributions are incorporated into their developing lives are the revelations contained in *The Secret Love of Sons* wisdom that both mothers and sons have gone without for far too long

Mother and Son Dr. Emerson Eggerichs, 2016-04-05 From the New York Times best selling author of *Love Respect* comes the definitive book for mothers and sons Love is important but it is respect that is the key to your son's heart Dads and their boys are often best buddies But what's the key to a successful and healthy mother son bond Informed by relevant scripture and up to date psychological research Emerson Eggerichs Ph D explores this foundational relationship to show how loving and respecting your little boy can help him grow into a mature responsible and godly man The idea of moms respecting their sons may sound strange to some It's easy to recognize that little girls need dad's love but who is strongly promoting the truth that little boys and big ones need mom's respect In *Mothers Sons The Respect Effect* readers will discover Why respect matters in a mother son relationship A method based on the testimonies of thousands of mothers Specific responses that can be given instead of how you would normally respond Practical applications especially for parenting teen boys Just as Emerson Eggerichs transformed millions of marital relationships with a biblical understanding of love and respect you can apply these same principles to transform your relationship with your son *Mother Son* is also available in Spanish *Madre e hijo*

[Breaking the Mother-Son Dynamic](#) John Lee, 2015-08-04 Therapists and the general public are familiar with the terms's mothering helicopter moms and boomerang sons because they have been popularized in films like *Monster in Law* *Cyrus* and *Failure to Launch* but what makes for humorous fodder onscreen depicts a troubling issue that's being played out for real in therapists offices bedrooms and divorce courts across the nation an epidemic of men who are enmeshed in unhealthy energy sucking and emasculating relationships with their mothers Even though these men are grown and living away from Mom her influence has left them unable to fully commit or to fully love and they are plagued with anger issues indecisiveness depression or toxic stress In *Breaking the Mother Son Dynamic* John Lee takes an eye opening look at how a mother's love or lack thereof impacts a son's life choices and life partner or lovers Perhaps you are one of these men or maybe you recognize these behaviors in the man you love Do you hold back swallow or bottle up things you wish you could say to your mother for fear it would upset or kill her Did you grow up hearing negative things about men masculinity being a male and how you shouldn't be like the rest of them Does your mother or did she fail to respect your boundaries as a child adolescent or adult Does your mother keep referring to you as her baby or her little boy even after you became an adult If you answered yes to any of these questions you may be caught in an unhealthy mother son dynamic that is negatively affecting key areas of your life Several years ago John Lee wrote what came to be the most

authoritative book on why men run from relationships *The Flying Boy Healing the Wounded Man* Here he visits the mother son relationship and gently but assertively shows men how to separate from the mother energy that has a massive pull on their hearts and souls no matter how young or old they may be In a work that is a combination of memoir self help psychology recovery and personal growth he discovers why a relationship of 50 50 responsibility doesn't work and what does work how men can stop sonning mothers lovers and wives why one must learn his or her own rhythm of closeness how to be really present to those we love and to life itself and much much more Using case studies personal stories and assessments the book helps men release any anger and grief toward their mothers and teaches them how to take responsibility for their adult selves most importantly Lee provides an understanding of what healthy adults should and shouldn't expect from each other Lee shows wives and girlfriends how to stop being their man's surrogate mother and shows well meaning mothers how certain behaviors may perpetuate an unhealthy cycle and how to better relate to their sons in healthier ways By helping mothers and sons identify this dynamic and providing them with the tools to dismantle it this book will change lives For anyone who is ready to make a clean clear and guilt free separation from the kind of s mothering and sonning that just hasn't worked John Lee will show them the way

Memory for Everyday and Emotional Events Nancy L. Stein, Peter A. Ornstein, Barbara Tversky, Charles Brainerd, 2013-11-19 The nature of memory for everyday events and the contexts that can affect it are controversial topics being investigated by researchers in cognitive social clinical and developmental lifespan psychology today This book brings many of these researchers together in an attempt to unpack the contextual and processing variables that play a part in everyday memory particularly for emotion laden events They discuss the mental structures and processes that operate in the formation of memory representations and their later retrieval and interpretation **The Psychology of Sex Differences** Eleanor E.
