**Preacherman's Son: Gunfighter John Wesley Hardin** Jack

White,2014-08-26 John Wesley Hardin was the son of a Methodist minister who named his second boy after the founder of his church The Reverend wanted Wes to become a man of faith along the way the Preacherman s son drifted By the time Wes was 15 he shot and killed 4 men These deaths were the gateway to a killing spree that lasted ten years Not a serial killer the majority of Hardin s shootings were carried out in the old west tradition the man with the fastest draw wins By the time Hardin was 25 he had killed 42 men Wes life story reads like an old fashioned page turning murder mystery The action takes place immediately after the Civil War during the Reconstruction period He was the most wanted man in the state Texas Rangers local Sheriffs Union Soldiers and numerous bounty hunters frantically looked for John Wesley Hardin If you enjoy a thriller Preacherman s Son will not disappoint My heartfelt wish is you will enjoy reading my historical novel as much as I did penning the words

**The Gunfighters** Bryan Burrough,2025-06-03 One of the most important books written on the American West in many years True West Magazine From the New York Times bestselling author of The Big Rich and Forget the Alamo comes an epic reconsideration of the time and place that spawned America s most legendary gunfighters from Jesse James and Billy the Kid to Butch and Sundance The Wild West gunfighter is such a stock figure in our popular culture that some dismiss it all as a corny myth more a product of dime novels and B movies than a genuinely important American history In fact as Bryan Burrough shows us in his dazzling and fast paced new book there s much more below the surface For three decades at the end of the 1800s a big swath of the American West was a crucible of change with the highest murder rate per capita in American history The reasons behind this boil down to one word Texas Texas was born in violence on two fronts with Mexico to the south and the Comanche to the north The Colt revolver first caught on with the Texas Rangers Southern dueling culture transformed into something wilder and less organized in the Lone Star State The collapse of the Confederacy and the presence of a thin veneer of Northern occupiers turned the heat up further And the explosion in the cattle business after the war took that violence and pumped it out from Texas across the whole of the West The stampede of longhorn cattle brought with it an assortment of rustlers hustlers gamblers and freelance lawmen who carried a trigger happy honor culture into a widening gyre a veritable blood meridian When the first newspapermen and audiences discovered what good copy this all was the flywheel of mythmaking started spinning It s never stopped The Gunfighters brilliantly sifts the lies from the truth giving both elements their due And the truth is sufficiently wild for any but the most unhinged tastes All the legendary figures are here and their escapades are told with great flair good bad and ugly Like all great stories this one has a rousing end as the railroads and the settlers close off the open spaces for good the last of the breed Butch Cassidy and the Sundance Kid really do get on a boat for South America ending their era in a blaze of glory Burrough knits these histories together into something much deeper and more provocative than simply the sum of its parts To understand the

truth of the Wild West is to understand a crucial dimension of the American story      Gunfights & Gunfighters Gordon A. Hunsaker,2010-03-02 Amid the backdrop of World War II race riots and police corruption a white police officer in Phoenix Arizona guns down an on duty black cop from his same department The communitys residents pick sides and while the second trial ends in an acquittal the battle isnt over The detective Frenchy Navarre returns to duty but is shot dead when he encounters Officer Joe Davis the slain officers partner This is just one of the fascinating tales told by Gordon A Hunsaker who also recalls Surviving his youth on the streets of Los Angeles Fighting in the jungles of Southeast Asia during the Vietnam War A series of stories that cops normally only tell each other Piloting helicopters and airplanes while on the job Battling his toughest opponent cancer And much more This compilation of musings observations and police lore is insightful thought provoking and at times just darn spooky Any Arizona resident law enforcement officer or lover of history will be thrilled to enter the exciting world of Gunfights Gunfighters      *Encyclopedia of Western Gunfighters* Bill O'Neal,1979 Sifting factual information from among the lies legends and tall tales the lives and battles of gunfighters on both sides of the law are presented in a who s who of the violent West      **Gunfighter Nation** Richard Slotkin,1998 Examines the ways in which the frontier myth influences American culture and politics drawing on fiction western films and political writing      **Gunfighter** Mark Howard Medoff,2003 THE STORY Based on the true life story of Lt Col Ralph Hayles U S Army retired GUNFIGHTER A GULF WAR CHRONICLE tells the story of an Apache attack helicopter pilot whose career and life are changed by a tragic friendly fire incident during      *Accidental Gunfighter* Donovan Harrison,2009-06-20 As winter sets in and work is scarce in 1870 s Wyoming cowhand Rusty Stewart sets out in search of his sister Ruthann the only family he has left He s heard she settled in Texas When two outlaws attempt to rob the saloon where he stops for a meal Rusty protects himself and kills a man Though he vows never to kill again the word spreads and one tinhorn gunslinger after another comes to Canyon City to find if he is faster than the Canyon Kid as Rusty is now dubbed What they find is death But how long before one shows up who is faster than Rusty      *Don't Be Afraid Son.* Billy Guajardo,2023-06-11 Don t Be Afraid Son Gunfighter s Graveyard If you like an Old Western Horror Gunfighter Novel with over 100 000 words Then this book would be a good find It came in a four book series based on four different town scenarios Different lawmen and evil gunmen will find one another in a gunfight to the death Each will wake from a coma dark deep sleep or be sent back by the devil that made him raise his gun in the first place against good A graveyard on the hill in town wakes After a storm hit the town that same night One grave began to wake with a hand blanketed in mud One hand then the other grabbed the wet mud earth or a branch on a tree in the ground He crawled to his feet in old cowboy muddy boots A tall dark man stood in the drizzling rain and his head tilted back His stare on the night stars in the skies The mud dirt and decaying tissue fell from his face and hands One other began to rise from the same graveyard behind him He stared at the same night sky as if something spoke to him from a place in between heaven and earth One of them opened his arms Each palm lifted and opened high in the dark He opened his mouth to wash death still

lingering on his tongue and lips One other gunfighter crawled to his feet through the drizzling rain Each gunfighter took a deep breath for the first time since he died huuu Three men in dark cowboy boots and clothes take that first breath that opens his eyes in a bulge Three Gunfighters Leave the cemetery behind the first gunfighter that left the wet Earth The first gunfighter growls in the direction of the Town toward the bottom of the Hill I will be there soon Townspeople As a faint heartbeat begins His chest began to pulsate with heartbeats slowly His heartbeat told the other men that their hearts would also be beating Each footstep s heel on his boot kicked at the ground One gunfighter behind the other pretends to tiptoe into town as the drizzling rain covers them like a blanket Each gunfighter covers his head with a hat and long coat to keep the water from splashing against his chest Each man wore a black hat a long shin length coat and cowboy boots Beneath he wore a blue jean shirt and pants Some are darker than others The third cowboy with long chocolate brown shoulder length hair stares forward in a baby blue dead eyed stare One behind the other they vanish in a cloud of drizzling rain Behind them on the other half of the cemetery One other had risen through the wet mud earth He also crawled to his feet in a pair of black cowboy boots A Shiny Gun Badge and a Winchester lay on the wet mud A man in a Marshall s Badge in Dark Brown Leather lifts it off the wet ground One other man with a Badge followed the Marshall One after him also crawled to his feet They begin to leave the cemetery like the other men before them They reach the road that leads into town The rain cleansed Each in a Badge on the way into the town Each with a hat Winchester at his side and a shiny gun The sound of a Stagecoach made them listen and look A Stagecoach hidden in the drizzling rain made them stare into the falling rain The sound of a hyena laughing inside made Law Men Reach for his Rifle The sound of wicked men rose from a stagecoach as it drew closer I m coming to town Marshall I ll be waiting Gunfighter I will bring a few friends I will too Will see which one of us will reach the Gunfighter s Graveyard I will be waiting like I do every 58 years of lawman Come out and play Marshall sheriff and do not forget to bring your deputies We will be waiting Did I shoot the sheriff haha Of course I did It was me The stagecoach hidden in the falling rain roared by as a sound of a hyena laughing left them in awe It continued to roar toward the town in the falling rain and vanishes

Requiem for a Gunfighter William Davis,2003-07-11 SUMMARY This is a western love story It is the tale of a man named Jake who defeated and disillusioned by the horrors of the War Between the States heads west with his brother to create a better life However his refusal to back down from confrontation which served him well in war leads to a life of violence Through his skill with firearms and the quickness of his reflexes he acquires a reputation as a dangerous foe When a writer publishes a fictitious account of his exploits everyone sees a cold bloodied killer and no one except his brother sees a man of honor trying to come to terms with what he has done and who he is Only through the love of a woman and her understanding of the demons that drive him does he begin to put his life back together again and find among the constant battles for survival a life worth living

The Encyclopedia of Lawmen, Outlaws, and Gunfighters Leon Claire Metz,2002 Standoffs saloons and sunsets spring to mind when one envisions the rough and tumble early days of the American frontier

Rockey, **The Old West in Fact and Film** Jeremy Agnew, 2012-11-15 For many years movie audiences have carried on a love affair with the American West believing Westerns are escapist entertainment of the best kind harkening back to the days of the frontier This work compares the reality of the Old West to its portrayal in movies taking an historical approach to its consideration of the cowboys Indians gunmen lawmen and others who populated the Old West in real life and on the silver screen Starting with the Westerns of the early 1900s it follows the evolution in look style and content as the films matured from short vignettes of good versus bad into modern plots **Twentieth-century Western Writers**, 1982 Lists writers of western fiction with a biography a bibliography of the writer s works and a critical essay on each writer Sometimes comments by the author himself are included **Gunfighter in Gotham** Robert K. DeArment, 2013-02-14 The legend of Bat Masterson as the heroic sheriff of Dodge City Kansas began in 1881 when an acquaintance duped a New YorkSun reporter into writing Masterson up as a man killing gunfighter That he later moved to New York City to write a widely followed sports column for eighteen years is one of history s great ironies as Robert K DeArment relates in this engaging new book William Barclay Bat Masterson spent the first half of his adult life in the West planting the seeds for his later legend as he moved from Texas to Kansas and then Colorado In Denver his gambling habit and combative nature drew him to the still developing sport of prizefighting Masterson attended almost every important match in the United States from the 1880s to 1921 first as a professional gambler betting on the bouts and later as a promoter and referee Ultimately Bat stumbled into writing about the sport In Gunfighter in Gotham DeArment tells how Bat Masterson built a second career from a column in the New YorkMorning Telegraph Bat s articles not only covered sports but also reflected his outspoken opinions on war crime politics and a changing society As his renown as a boxing expert grew his opinions were picked up by other newspaper editors and

reprinted throughout the country and abroad He counted President Theodore Roosevelt among his friends and readers This follow up to DeArment s definitive biography of the Old West legend narrates the final chapter of Masterson s storied life Far removed from the sweeping western plains and dusty cowtown streets of his younger days Bat Masterson in New York City became a ham reporter as he called himself a Broadway guy     The Diary of a Gunfighter Eddie L. Barnes,2011-11-04 In a country ravaged by the horrors of a brutal civil war there were countless families torn apart by conflict and violence This is the story of one ordinary man driven by loss to extraordinary acts and circumstances Simon James Sublette lost his entire family during the Civil War He dreams of coming home and settling into a quiet peaceful life on his family farmuntil those dreams are shattered by a stray bullet Forever scarred inside and out he abandons all he knows and loves He sets out on a lonely journey wandering the West in a desperate quest for peace and order But with each passing day serenity still eludes him and his heart grows ever heavier Torn by grief and fighting off hopelessness he finds beauty in a more poetic way of life He develops the unusual trait of speaking in rhyme especially when provoked This trait earns him the name The Rhymer and he becomes a fearless gunfighter who has no equal when it comes to killing The Rhymer is a hero for women and children everywhereand a nightmare straight from hell for those evil men in need of killing     **Tombstone** Tom Clavin,2020-04-21 THE INSTANT NATIONAL BESTSELLER Tombstone is written in a distinctly American voice T J Stiles The New York Times With a former newsman s nose for the truth Clavin has sifted the facts myths and lies to produce what might be as accurate an account as we will ever get of the old West s most famous feud Associated Press The true story of the Earp brothers Doc Holliday and the famous Battle at the OK Corral by the New York Times bestselling author of Dodge City and Wild Bill On the afternoon of October 26 1881 eight men clashed in what would be known as the most famous shootout in American frontier history Thirty bullets were exchanged in thirty seconds killing three men and wounding three others The fight sprang forth from a tense hot summer Cattle rustlers had been terrorizing the back country of Mexico and selling the livestock they stole to corrupt ranchers The Mexican government built forts along the border to try to thwart American outlaws while Arizona citizens became increasingly agitated Rustlers who became known as the cow boys began to kill each other as well as innocent citizens That October tensions boiled over with Ike and Billy Clanton Tom and Frank McLaury and Billy Claiborne confronting the Tombstone marshal Virgil Earp and the suddenly deputized Wyatt and Morgan Earp and shotgun toting Doc Holliday Bestselling author Tom Clavin peers behind decades of legend surrounding the story of Tombstone to reveal the true story of the drama and violence that made it famous Tombstone also digs deep into the vendetta ride that followed the tragic gunfight when Wyatt and Warren Earp and Holliday went vigilante to track down the likes of Johnny Ringo Curly Bill Brocius and other cowboys who had cowardly gunned down his brothers That vendetta ride would make the myth of Wyatt Earp complete and punctuate the struggle for power in the American frontier s last boom town
