## Sorcerers Village:

Sorcerers of Dobu R. F. Fortune, 2013-09-13 Ever since its first publication in 1932 *Sorcerers of Dobu* has been recognized as one of the great triumphs of anthropological research and interpretation in the field of ethnography A rich source of information on primitive psychology the book presents sociological analysis of the complex tribal organisation of the Dobuans Originally published in 1932 *Sorcerer's Magick* Erik Kristofer Lucero, 2024-01-20 Jarith Southgard is a master sorcerer looking for someone to help him with his house That is when he meets Emerick Forester a woodworker in a small town When Jarith realizes that Emerick unknowingly uses magick in his work he offers to teach Emerick how to use his skill only to be shown another way to tap into the magick that flows through everything The resistance opposes the Magick Guild for their control over society Their attacks on the Magick Guild are to show their frustration but escalate to a near war Marcus de Lonthal head of the Academy wants to control the guild and change who is allowed to learn As he slowly gets closer to his goal he continues to confront the resistance Jarith spies on the resistance only to discover they want the same things the Guild wants He wants to work with them to stop Marcus and help all the people With Emerick's help they need to find out how the gift from the Goddess can be used to better mankind *Death and Dying* Richard Kalish, 2019-04-09 Death is a constant in every society but each of the world's cultures views the end of life differently This book examines beliefs about dying burial and life after death held by peoples of wide ranging societies Sorcerers' Village. With Photos. by Ruth and Hassoldt Davis Ruth Davis, Hassoldt Davis, 1956 **On the Order of Chaos** Mark S. Mosko, Frederick H. Damon, 2005 The essays in this volume collectively transform perspectives previously experienced as divergent conflicting and inconsistent into a common and complex orientation to problems central to the natural and social sciences involving transitions between order and disorder Jacket The cutting edge how to face evil sorcerers WAHID ABDUSSALAM BALI, 2014-01-01 **The Leiden Tradition in Structural Anthropology** Rob de Ridder, Rob Ridder, Jan A. Karremans, 1987 **The Leiden Tradition in Structural Anthropology** Ridder, Karremans, 2023-07-31 **Power of the Sorceress** Krista Walsh, 2024-04-25 I've already proved I'm a coward Now I have two options waste away or become the sorceress I was born to be I watched my entire village die betrayed by our own Instead of dying with them I hid behind my weak magic to save myself and got caught in the traitors spell Now I'm bonded to a servant of Death immune to time healing from any injury Trapped on this earth with my grief and my guilt I quickly learn the world is filled with more evil than I ever imagined and my power is no match for it I know Emerick can help me but doing so would break his one rule never get involved in the mortal world Bond or no bond I don't know if I can sway him Especially not as my feelings for him grow as confusing as the rapidly changing world I couldn't save my family a failure that will haunt me for the rest of my long life but if I become a strong enough sorceress a skilled enough hunter maybe I stand a chance at redemption Set nearly a millennium before the main series this exciting Immortal Sorceress prequel offers sorcery danger and a love story that spans centuries *Houses in the*

P. Elliott, 2007 This is a history of the Vietnam war in a single province of the Mekong Delta over the period 1930 1975 focusing on the revolutionary movement that became popularly known as the Viet Cong It draws on documents captured by U S and South Vietnamese military forces *The Vietnamese War* David Elliott, 2016-04-15 A monumental work of research and analysis this is a history of the Vietnam War in a single province of the Mekong Delta over the period 1930 1975 More precisely it is a study of the Vietnamese dimension of the Vietnam War focusing on the revolutionary movement that became popularly known as the Viet Cong There are several distinctive features to this study 1 it provides an explanation for the paradox of why the revolutionary movement was so successful during the war but unable to meet the challenges of postwar developments 2 it challenges the dominant theme of contemporary political analysis which assumes that people are rational actors responding to events with careful calculations of self interest 3 it closely examines province level documentation that casts light on a number of important historical controversies about the war No other history of the Vietnam War has drawn on such a depth of documentation especially firsthand accounts that allow the Vietnamese participants to speak directly to us

*Sorcery in its social setting* M. G. Marwick, 1965 ***The Anthropology of Morality in Melanesia and Beyond*** Mr John Barker, 2012-12-28 *The Anthropology of Morality in Melanesia and Beyond* examines how Melanesians experience and deal with moral dilemmas and challenges Taking Kenelm Burridge's seminal work as their starting point the contributors focus upon public situations and types of people that exemplify key ethical contradictions for members of moral communities While returning to some classical concerns such as the roles of big men and sorcerers the book opens new territory with richly textured ethnographic studies and theoretical reviews that explore the interface between the values associated with indigenous village life and the ethical orientations associated with Christianity the state the marketplace and other facets of modernity A major contribution to the emerging field of the anthropology of morality the volume includes some of the most prominent scholars working in the discipline today including Bruce Knauft Joel Robbins F G Bailey Deborah Gewertz and Frederick Errington ***King Mombo*** Paul B. Du Chaillu, 2021-11-05 Chaillu was one of the first explorers to make contact with tribes in equatorial West Africa There he was greeted with warm hospitality by King Mombo This non fiction novel

contains vivid descriptions of the African vegetation and ways of life of West Africans      *Stranger in the Village of the Sick*

Paul Stoller, 2005-04-15 After more than fifty years of good health anthropologist Paul Stoller suddenly found himself diagnosed with lymphoma The only thing more transformative than his fear and dread of cancer was the place it ultimately took him twenty five years back in time to his days as an apprentice to a West African sorcerer Adamu Jenitongo *Stranger in the Village of the Sick* follows Stoller down this unexpected path toward personal discovery growth and healing The stories here are about life in the village of the healthy and the village of the sick and they highlight differences in how illness is culturally perceived In America and the West illness is war we strive to eradicate it from our bodies and lives In West Africa however illness is an ever present companion and sorcerers learn to master illnesses like cancer through a combination of acceptance pragmatism and patience Stoller provides a view into the ancient practices of sorcery revealing that as an apprentice he learned to read divining shells mix potions and recite incantations But it wasn't until he got cancer that he realized that sorcery embodied a more profound meaning one that every person could use Sorcery is a body of knowledge and practice that enables one to see things clearly and to walk with confidence on the path of fear      **Almanac of the Dead**

Mabanckou, 2012-04-01 All human beings says an African legend have an animal double Some doubles are benign others wicked This legend comes to life in Alain Mabanckou's outlandish surreal and charmingly nonchalant *Memoirs of a Porcupine* When Kibandi a boy living in a Congolese village reaches the age of 11 his father takes him out into the night and forces him to drink a vile liquid from a jar that has been hidden for years in the earth This is his initiation From now on he and his double a porcupine become accomplices in murder They attack neighbors fellow villagers and people who simply cross their path for reasons so slight that it is virtually impossible to establish connection between the killings As he grows older Kibandi

relies on his double to act out his grizzly compulsions until one day even the porcupine balks and turns instead to literary confession Winner of the Prix Renaudot France s equal to the National Book Award Alain Mabanckou is considered one of the most talented writers today He was selected by the French journal Lire as one of fifty writers to watch this coming century And as Peter Carey suggests he positions himself at the margins tapping the tradition founded by Celine Genet and other subversive writers In this superb and striking story Mabanckou brings new power to magical realism and is sure to excite American audiences nationwide
