Sorrowless Times A Narrative:

Sorrowless Times James Herndon, 1981 **Narratives of Sorrow and Dignity** Bardwell L. Smith, 2013-05-22 Bardwell L. Smith offers a fresh perspective on the Japanese ceremony performed to bring solace to those who have experienced miscarriage stillbirth or abortion Showing how old and new forms of myth symbol doctrine praxis and organization combine and overlap in contemporary mizuko kuy Smith provides critical insight from many angles the sociology of the family the power of the medical profession the economics of temples the import of ancestral connections the need for healing in both private and communal ways and perhaps above all the place of women in modern Japanese religion At the heart of Smith's research is the issue of how human beings experience the death of a life that has been and remains precious to them While universal these losses are also personal and unique The role of society in helping people to heal from these experiences varies widely and has changed enormously in recent decades In examples of grieving for these kinds of losses one finds narratives not only of deep sorrow but of remarkable dignity **Sister in Sorrow** Ilana Rosen, 2008-03-14 Students of Holocaust studies and women's studies will be grateful for the specific and personal approach of *Sister in Sorrow* **A Time for Sorrow** Donna Petter, Lindsay Wilson, Rhys Bezzant, Emmett Price, 2021-10-05 Six scholars trace the role of lamentation in the Old and New Testaments in *A Time for Sorrow Recovering the Practice of Lament in the Life of the Church* reflecting on the theological significance of lament affirming the ongoing relevance of lamentation in the life of the church and exploring its biblical roots and application in church practice In a church era dominated by positive thinking and slick upbeat worship even mentioning the word lamentation is apt to cause a dismissive disinterested shrug But Christians still suffer and this suffering is left mute when the church fails to integrate biblical lament in contemporary church practice *A Time for Sorrow* looks to address this by recovering the biblical practice of bringing our pain before God in an honest and faithful manner In this multiauthor work learn about the role of lamentation in the Old and New Testaments reflect on the theological significance of lament and finish with thoughts on lament and pastoral practice today *Labor of Love, Labor of Sorrow* Jacqueline Jones, 2009-12-29 The forces that shaped the institution of slavery in the American South endured albeit in altered form long after slavery was abolished Toiling in sweltering Virginia tobacco factories or in the kitchens of white families in Chicago black women felt a stultifying combination of racial discrimination and sexual prejudice And yet in their efforts to sustain family ties they shared a common purpose with wives and mothers of all classes In *Labor of Love Labor of Sorrow* historian Jacqueline Jones offers a powerful account of the changing role of black women lending a voice to an unsung struggle from the depths of slavery to the ongoing fight for civil rights *Trauma Narratives and Herstory* S. Andermahr, S. Pellicer-Ortin, 2013-04-09 Featuring contributions from a wide array of international scholars the book explores the variety of representational strategies used to depict female traumatic experiences in texts by or about women and in so doing articulates the complex relation between trauma gender and signification **Circles of Sorrow, Lines of Struggle**
