Farley,2019-08-19 On ending up in a too familiar situation after years of emotional and physical pain I began searching for answers as to why all these difficulties kept happening It was at this life threatening time that I was first approached by the energy vibration of the four archangels Due to the fact I had always seen spirits as physical people I didn't believe the angels instructions but after another very special visitation where they showed themselves to me which is no easy feat for them I agreed to write their words and that's how this book manifested As I wrote my life began to make sense which now enables me to live with more awareness of what part I have to play in my soul's
