The Soul of God Ray S. Anderson, 2004-08-02 In this theological memoir Ray Anderson takes us on his own journey from the prairie to the pulpit and from the soul of a believer into the soul of a theologian As a sequel to his earlier book The Soul of Ministry he shares with us the process by which his own spiritual hunger moved from uneasiness and unrest into a deeper sense of the soul of theology as exploration into the very soul of God Part One In Part Two each chapter traces out the contours of a theology which sings as well as stings After more than 40 years of ministry as pastor teacher and theologian Anderson presents a theological hermeneutic by which Scripture and human experience can be read on the same page If reading this book produces astonishment and wonder at the depth and daring to which God's grace encounters and embraces us through Jesus Christ then that itself will lead us with awe and reverence to behold the soul of God
