## **Soul Provider:**

**Soul Provider** Edward L. Beck, 2009-04-14 This contemporary look at the seventh century classic The Ladder of Divine Ascent brilliantly illuminates the enduring relevance of centuries old spiritual concepts. In The Ladder of Divine Ascent Saint John Climacus described the thirty steps all seekers must take on the path to spiritual fulfillment. In Soul Provider Edward L. Beck brings a fresh modern sensibility to this classic work of Christian literature and its ideas explaining how they relate to our lives today. Using real life stories and experiences and incorporating all of the major religious traditions Beck shows how the thirty steps lead to a deeper understanding of the ideas that guide our journeys provide for our souls and draw us closer to God. Beginning each chapter with an illustrative anecdote Beck explains the significance of each of the steps discussing its importance in Christian tradition and offering thoughtful inspiring ways to incorporate it into present day spiritual journeys. Soul Provider explores the connections between old spiritual notions and spirituality as it is practiced and expressed in modern culture. As Beck deftly weaves the past and the present he reveals the true path to the limitless love we all desire.
