Souls Journey:

A Soul's Journey Rabbi Terry Bookman, 2004-12 The journey of the spirit is not marked by a smooth four lane highway Rather like the path through a Zen garden it is curved with many switchbacks and lots of turns While there may be many beginnings there really is no destination Its goal is self awareness enlightenment and inner peace It is a journey we take with our lives In his latest book Rabbi Terry Bookman explores the many ups and downs associated with the life of the spirit Drawing on the ancient traditions of Judaism A Soul s Journey serves as a kind of roadmap for the path offering practical insights and modern applications along the way Rabbi Bookman has been described as a wise and compassionate teacher who combines knowledge from a wide variety of disciplines and religious faiths to challenge and encourage his students and readers He is the author of two books *The Busy Soul* and *God 101* and the co author of two CDs of contemporary Jewish music

A Story of the Soul's Journey in the Nag Hammadi Library Ulla Tervahauta,2015-08-19 Authentikos Logos NHC VI 3 also known as Authoritative Teaching is a little studied story of a soul's descent and ascent in the Nag Hammadi library With her book Ulla Tervahauta fills a gap in the scholarship and provide the first monograph length study that has this writing as its primary focus The aim is to find a place and context for Authentikos Logos within early Christianity but Tervahauta also adds new insight into the scholarship of the Nag Hammadi Library and study of early Christianity Contrary to the usual discussion of the Nag Hammadi writings from the viewpoint of Gnostic studies she argues that Authentikos Logos is best approached from the context of Christian traditions of late ancient Egypt between the third and the fifth centuries Tervahauta discusses the story of the soul's journey in light of various Christian and Platonic writings

Also she analyses the relationship of Authentikos Logos with the Valentinian Wisdom myth and suggests that no firm evidence connects the writing closely with Valentinian traditions And although a Platonic mind set can be assumed the writing combines motifs in a unique manner For example the four epithets used in the writing the invisible soul the pneumatic soul the material soul and the rational soul are not found thus combined elsewhere Discussion of matter hyle is connected with Christian scriptural allusions and the focus is on ethics and the evilness of matter The body on the other hand is the soul's place of contest and progress The Pauline term pneumatic body 1 Cor 15 44 is used allusively and from a Platonic perspective With this book Ulla Tervahauta makes an important contribution to the study of early Christianity in late ancient Egypt

Treasure: A Soul Journey With The Invisible Karen Williams, 2018-12-31 TREASURE is the true story of how the iconic fable *The Alchemist* by Paulo Coelho psychically predicted the future and what would happen to Karen Williams in real life This was at a time when Karen had never heard of Coelho's famous book It is a story about the passion for a dream and how this passion revealed to Karen the language of signs and coincidences which the spiritual realm uses to speak to each of us Living in Andalusia in southern Spain in the 1990s Karen dreams of finding and living from her soul One night after visiting her favourite ruin she has a dream in which she is reborn and with this her soul quest begins Just as in Coelho's *The Alchemist* it takes her to Tarifa and Tangiers and then through a metaphorical desert finally ending at a place of pyramids as she searches for her treasure But this is only just the beginning of a truly supernatural odyssey which goes on for another 18 years In that time Karen dedicates her whole being to the slow and sometimes incredibly painful unraveling of the real meaning of the allegory known to millions as *The Alchemist* What she discovers is far deeper and more transcendental than she ever imagined and touches the lives of all of us who now stand at the beginning of a new millennium hoping for a new world and a new dawn
