**Rules for Our Walking With God** Jeremiah Burroughs, C. Matthew McMahon, Therese B. McMahon, 2017-12-19 The bible is filled with a theology of walking This supernatural and eminently important topic is the substance of this discourse by master exegete and preacher Jeremiah Burroughs 1599-1646 This work is laid out in a series of rules which demonstrate to the Christian what one looks like who in fact walks with God Burroughs main text is And Enoch walked with God and he was not for God took him Gen 5:24 His main doctrine from this text is that it is the great excellency and commendation of a godly man to walk with God Or that it is the highest testimony that can be given that a man walks with God He covers how a person is brought to walk with God shown in six particulars Then he defines specifically what it means to walk with God and their extended excellencies along with exhortations to both Christians and unbelievers as to their interest in walking with God Then he provides ten ways that show people in the church and even people in the world that a man is walking with God or not Lastly he demonstrates biblical rules toward walking with God in the right manner The last chapter is actually an extra added section that Burroughs decided he could not write this work without That chapter is worth its weight in gold and alone is worth the time of reading this volume It houses the objection concerning the manner in which God sometimes may hide his face from his people for their good though at the time it surely doesn't feel as though desertion is a good thing Burroughs covers being self-deceived in this and answers various particulars concerning how to rightly judge whether one is actually walking with God in the right way whether one is deserted by God and whether such a desertion warrants repentance or just right thinking This work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions
